D. Notwithstanding any other provisions of this section, unless such deposits are the result of a direct appropriation to the Revenue Stabilization Fund by the Legislature, no monies shall be deposited to the credit of the Revenue Stabilization Fund:

1. For any month during a fiscal year after the month during which the declaration of a revenue failure pursuant to the provisions of Section 34.49 of this title has been made. For purposes of this subsection, the limitation on deposits to the Revenue Stabilization Fund shall be imposed for the remaining months of the fiscal year during which the revenue failure was declared, but shall not operate as a limitation upon deposits for any subsequent fiscal year unless a revenue failure is declared at some time during such fiscal year; or

2. That would cause deposits to the Revenue Stabilization Fund for the fiscal year to exceed three percent (3%) of the State Board of Equalization General Revenue Fund certification for that fiscal year.

E. Except as provided in subsection I of this section, the Revenue Stabilization Fund shall consist of:

1. One hundred percent (100%) of the revenue derived from the gross production tax on oil levied pursuant to Section 1001 of Title 68 of the Oklahoma Statutes which is in excess of the five-year average computed as prescribed by Section 34.103 of this title;

2. One hundred percent (100%) of the revenue derived from the gross production tax on natural gas levied pursuant to Section 1001 of Title 68 of the Oklahoma Statutes which is in excess of the five-year average computed as prescribed by Section 34.103 of this title;

3. Seventy-five percent (75%) of the revenue derived from corporate income tax levied pursuant to Section 2355 of Title 68 of the Oklahoma Statutes which is in excess of the five-year average computed as prescribed by Section 34.103 of this title; and

4. Any amounts appropriated by the Legislature.

F. ~~In~~ 1. Except as provided in paragraph 2 of this subsection, in the event that a revenue failure is declared with respect to the General Revenue Fund pursuant to Section 34.49 of this title, the Director of the Office of Management and Enterprise Services may withdraw up to one-quarter (1/4) of the balance of the Revenue Stabilization Fund available at the beginning of the fiscal year, provided the total amount withdrawn shall not exceed the amount of the declared revenue failure, to in equal proportions reduce or avoid reductions to agencies for the current fiscal year and to mitigate potential reductions of funds to be expended by common school districts which were appropriated or authorized by the Legislature, but excluding any funds which are apportioned directly to common school districts.

2. For the fiscal year ending June 30, 2020, in the event that a revenue failure is declared with respect to the General Revenue Fund pursuant to Section 34.49 of this title, the Director of the Office of Management and Enterprise Services may withdraw amounts up to a total of one-half (1/2) of the highest balance during the fiscal year ending June 30, 2020, of the Revenue Stabilization Fund, provided the total amount withdrawn shall not exceed the amount of the declared revenue failure less

any appropriations made by the Legislature to offset such revenue failure, to in equal proportions reduce or avoid reductions to agencies for the fiscal year and to mitigate potential reductions of funds to be expended by common school districts which were appropriated or authorized by the Legislature for the fiscal year ending June 30, 2020, but excluding any funds which are apportioned directly to common school districts. No monies shall be withdrawn under the provisions of this subsection, for the purpose of reducing or avoiding reductions of appropriations made pursuant to Section 129 of Enrolled House Bill No. 2765 of the 1st Session of the 57th Oklahoma Legislature or Section 1 of Enrolled Senate Bill No. 1076 of the 1st Session of the 57th Oklahoma Legislature.

G. In the event that a revenue failure is declared with respect to the General Revenue Fund pursuant to Section 34.49 of this title, the Legislature may appropriate up to one-quarter (1/4) of the balance of the Revenue Stabilization Fund available at the beginning of the fiscal year, not to exceed the amount of the revenue failure as declared with respect to the General Revenue Fund pursuant to Section 34.49 of this title.

H. If the amount of revenue certified by the State Board of Equalization at its February meeting in any year to be collected in the General Revenue Fund for the upcoming fiscal year is less than the amount of revenue certified by the State Board of Equalization to be collected in the General Revenue Fund for the current fiscal year as determined at its February meeting conducted in the preceding calendar year, the Legislature may appropriate up to one-half (1/2) of the balance of the Revenue Stabilization Fund available at the beginning of the fiscal year; provided, that the amount withdrawn shall not exceed the amount of the decline in revenue certified.

I. If during the Board of Equalization certification process, one or more of the revenue sources identified in paragraphs 1, 2 and 3 of subsection E of this section are forecasted to experience a revenue decrease, then the total deposits to the Revenue Stabilization Fund as otherwise calculated under subsection E of this section shall be reduced in an amount equal to such revenue decreases. For purposes of this subsection, "revenue decrease" means an identified revenue source derived in an amount less than the five-year average for such revenue source.

SECTION 2. It being immediately necessary for the preservation of the public peace, health or safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.”;

By restoring the Enacting Clause; and

By restoring the Title.
