Research Analysis

HB 3613, as introduced, prohibits the state or any political subdivision from:

- requiring an individual to provide information on affiliation with any nonprofit organization;
- requiring any nonprofit to provide information on individuals affiliated with them;
- releasing any nonprofit affiliation information which is in possession of the state, subdivision or agency; or
- requiring a contractor or grantee to provide a list of nonprofit entities to which it has provided support.

The measure also exempts personal affiliation information from the Open Records Act, and preempts the authority of a county or municipality to require any such information.
