Research Analysis

The creation and maintenance of the academy is still subject to the Council on Law Enforcement Education and Training's approval. The Council is limited to approving two academies per year.

Fiscal Analysis

SB 658, upon review by fiscal staff and with consultation from the Council on Law Enforcement, Education, and Training (CLEET), is determined to have a minimal impact on the agency. There is a possibility of a need for more personnel to provide oversight, however, CLEET believes this is minimal.
