Bill Analysis

SB 985 authorizes the Grand River Dam Authority Board of Directors to set at-cost fees for services performed by the district. The Board may also acquire real property, manage fleet marketing, and develop compensation and hiring practices for employees. Districts are authorized to acquire wind and battery storage sites. Additionally, the measure exempts the Authority from the provisions of the Information Technology Consolidation and Coordination Act, State Travel Reimbursement Act, and Surplus Property Act if the district does not subject itself to this Act. The measure authorizes the appointing authority to remove a board member with just cause. The Board must receive the advice and assistance of the State Bond Advisor before selling bonds.
