- A. On July 1, 2021, or fifteen (15) days from the effective date of this act, the Oklahoma Medical Marijuana Authority shall announce publicly that the number of medical marijuana dispensary licenses, medical marijuana processor licenses and medical marijuana commercial grower licenses authorized in the State of Oklahoma shall be capped beginning September 1, 2021.
- В. Beginning September 1, 2021, the number of medical marijuana dispensary licenses, medical marijuana processor licenses and medical marijuana commercial grower licenses authorized in the State of Oklahoma shall be capped at the total number of licenses active in each category as of September 1, 2021, combined with the total number of applications pending in each category with the Oklahoma Medical Marijuana Authority which were submitted prior to September 1, 2021. In order to determine the final amount of authorized medical marijuana dispensary licenses, medical marijuana processor licenses and medical marijuana commercial grower licenses in this state, the Authority shall first process all pending applications for each license category received prior to September 1, 2021, and add that number to the total number of active licenses in each category as of September 1, 2021. Applications for a medical marijuana dispensary license, medical marijuana processor license or

medical marijuana commercial grower license shall not be accepted beginning September 1, 2021, except as provided in subsection C of this section.

C. All applicants submitting an application for an active medical marijuana dispensary license, medical marijuana processor license or medical marijuana commercial grower license, prior to September 1, 2021, shall meet all requirements to hold a medical marijuana business license at the time of application. However, such applicant shall not be required to submit a Certificate of Compliance prior to submitting an application under the provisions of this subsection and each applicant shall have one hundred eighty (180) days from the date such license is provisionally approved to submit a Certificate of Compliance to the Oklahoma Medical Marijuana Authority. Only upon submission and acceptance by the Authority of the Certificate of Compliance, and provided the applicant continues to meet all other requirements provided for in Sections 421 through 423 of Title 63 of the Oklahoma Statutes and the Oklahoma Medical Marijuana and Patient Protection Act, shall the applicant be awarded an active business license. In the event an applicant does not submit a Certificate of Compliance or fails to meet any other requirements for licensure within one hundred eighty (180) days of being awarded a license, the license shall automatically terminate and shall not be extended.

SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 431.2 of Title 63, unless there is created a duplication in numbering, reads as follows:

- A. 1. Beginning September 1, 2021, the number of medical marijuana dispensary licensees authorized to operate in the State of Oklahoma shall be automatically reduced by the number of medical marijuana dispensary licenses surrendered, canceled or otherwise terminated, until such time as the total number of active medical marijuana dispensary licenses is equal in number to two thousand.
- 2. Beginning September 1, 2022, any medical marijuana dispensary licensee who does not actively use the medical marijuana dispensary license for a period of eighteen (18) months shall not be authorized to renew the license. For purposes of this subsection, the active use of a medical marijuana dispensary license shall require that a dispensary licensee have a minimum of Five Thousand Dollars (\$5,000.00) per month in gross monthly sales calculated on a twelve-month rolling average. Gross monthly sales shall be calculated by taking the total amount of income and subtracting all discounts and sales and excise tax collected on medical marijuana and medical marijuana products.
- B. 1. Beginning September 1, 2021, the number of medical marijuana commercial grower licensees authorized in the State of Oklahoma shall be automatically reduced by the number of medical marijuana commercial grower licenses surrendered, canceled or

otherwise terminated, until the total number of active medical marijuana commercial grower licenses is equal in number to or less than five thousand.

- 2. Beginning September 1, 2022, any medical marijuana commercial grower licensee who does not actively use the license for a period of eighteen (18) months shall not be authorized to renew the license. For purposes of this subsection, active use of a medical marijuana commercial grower license shall require that a commercial grower licensee have under cultivation a minimum of fifty marijuana plants per month, calculated on a twelve-month rolling average.
- C. 1. Beginning September 1, 2021, the number of medical marijuana processor licensees authorized in the State of Oklahoma shall be automatically reduced by the number of medical marijuana processor licenses surrendered, canceled or otherwise terminated, until the total number of active medical marijuana processor licenses is equal in number to or less than one thousand.
- 2. Beginning September 1, 2022, any medical marijuana processor licensee who does not actively use the license for a period of eighteen (18) months shall not be authorized to renew the license. For purposes of this subsection, active use of a medical marijuana processor license shall require that a processor licensee have a minimum of Five Thousand Dollars (\$5,000.00) per month in gross monthly sales calculated on a twelve-month rolling average. Gross

1 monthly sales shall be calculated by taking the total amount of 2 income and subtracting all discounts. A new section of law to be codified 3 SECTION 4. NEW LAW 4 in the Oklahoma Statutes as Section 431.3 of Title 63, unless there 5 is created a duplication in numbering, reads as follows: 6 The Authority shall, within ninety (90) days of the effective 7 date of this act, promulgate rules and regulations to govern an 8 impartial, number-based lottery to govern issuance of all available 9 medical marijuana business licenses up to the cap amount for the 10 specific medical marijuana business license category. 11 SECTION 5. It being immediately necessary for the preservation 12 of the public peace, health or safety, an emergency is hereby 13 declared to exist, by reason whereof this act shall take effect and 14 be in full force from and after its passage and approval. 15 16 58-1-7604 GRS 02/18/21 17 18 19 20 2.1 22 23 24
