1 Section 1-110 A. Sheriffs and peace officers may utilize
2 telemedicine, when such capability is available and is in the

4 whom the officer reasonably believes is a person requiring
5 treatment, as defined in Section 1-103 of this title, assessed by a
6 licensed mental health professional employed by or under contract
7 with a facility operated by, certified by, or contracted with the
8 Department of Mental Health and Substance Abuse Services. To serve

15 facility, as defined in Section 1-103 of this title, within a thirty
16 (30) mile radius of the peace officer's operational headquarters.
17 If there is not a facility within a thirty (30) mile radius of the
18 peace officer's operational headquarters, transportation to a
19 facility shall be completed by either the Department of Mental
20 Health and Substance Abuse Services or an entity contracted by the
21 Department for alternative transportation. For purposes of this
22 section, "initial contact" is defined as contact with an individual
23 in need of assessment, emergency detention or protective custody
24 made by a law enforcement officer. Initial contact in this section

1 does not include an individual self-presenting at a facility as
2 defined in Section 1-103 of this title.

3 B. A municipal law enforcement agency shall be responsible for
4 transportation as provided in this act for any individual found
5 within such municipality's jurisdiction. The county sheriff shall
6 be responsible for transportation as provided in this act for any

16 officer, the transporting law enforcement agency shall be
17 responsible for any subsequent transportation of such individual
18 pending completion of the initial assessment, emergency detention,
19 protective custody or inpatient services within a thirty (30) mile
20 radius of the peace officer's operational headquarters. All

9 of ~~examination~~ initial assessment, admission, interfacility
10 transfer, medical treatment or court appearance shall be reimbursed
11 in accordance with the provisions of the State Travel Reimbursement
12 Act.

13 F. Nothing in this section shall prohibit a law enforcement
14 agency or the Department of Mental Health and Substance Abuse
15 Services from entering into a lawful agreement with any other law
16 enforcement agency to fulfill the requirements established by this
17 section or from contracting with a third party to provide the
18 services established by this section provided the third party meets
19 minimum standards as determined by the Department. ~~Standards~~
20 ~~determined by the Department shall not exceed the standards required~~
21 ~~by law enforcement.~~

22 G. A law enforcement agency shall not be liable for the actions
23 of a peace officer commissioned by the agency when such officer is
24

1 providing services as a third party pursuant to subsection F of this
2 section outside his or her primary employment as a peace officer.

3 SECTION 2. AMENDATORY 43A O.S. 2011, Section 5-207, as
4 amended by Section 2, Chapter 296, O.S.L. 2012 (43A O.S. Supp. 2020,
5 Section 5-207), is amended to read as follows:

6 Section 5-207. A. Any person who appears to be or states that
7 such person is mentally ill, alcohol-dependent, or drug-dependent to
8 a degree that immediate emergency action is necessary may be taken
9 into protective custody and detained as provided pursuant to the
10 provisions of this section. Nothing in this section shall be
11 construed as being in lieu of prosecution under state or local
12 statutes or ordinances relating to public intoxication offenses.

13 B. 1. Any peace officer who reasonably believes that a person
14 is a person requiring treatment as defined in Section 1-103 of this
15 title shall take the person into protective custody. The officer
16 shall make every reasonable effort to take the person into custody
17 in the least conspicuous manner.

18 2. Upon taking the person into protective custody, the officer
19 may relinquish custody of the person believed to require treatment
20 to a duly qualified reserve officer or deputy employed by the same
21 agency to fulfill the officer's duties as required by this title.

22 C. The officer shall prepare a written statement indicating the
23 basis for the officer's belief that the person is a person requiring
24 treatment and the circumstances under which the officer took the

1 person into protective custody. The officer shall give a copy of
2 the statement to the person or the person's attorney upon the
3 request of either. If the officer does not make the determination
4 to take an individual into protective custody on the basis of the
5 officer's personal observation, the officer shall not be required to
6 prepare a written statement. However, the person stating to be
7 mentally ill, alcohol-dependent, or drug-dependent or the person
8 upon whose statement the officer relies shall sign a written
9 statement indicating the basis for such person's belief that the

20 headquarters, or may use telemedicine with a licensed mental health
21 professional employed or under contract with a facility operated by,
22 certified by, or contracted with the Department of Mental Health and
23 Substance Abuse Services to perform an initial assessment. If,
24 subsequent to an initial assessment, it is determined that emergency

1 detention is warranted, the officer shall immediately transport the
2 person to the nearest facility, ~~designated by the Commissioner as~~
3 ~~appropriate for such detention,~~ that has bed space available if the
4 facility is within thirty (30) miles of the peace officer's
5 operational headquarters and the individual was determined to be a
6 person requiring treatment. The Department of Mental Health and
7 Substance Abuse Services may contract for the use of alternative
8 transportation providers to transport individuals to facilities
9 designated for emergency detention when the nearest facility with
10 bed space available is more than thirty (30) miles from the peace
11 officer's operational headquarters and the individual was determined
12 to be a person requiring treatment. For purposes of this section,
13 "urgent recovery clinics" means clinics that offer services aimed at
14 the assessment and immediate stabilization of acute symptoms of
15 mental illness, alcohol and other drug abuse, and emotional
16 distress, provided no more than twenty-three (23) hours and fifty-
17 nine (59) minutes of services are provided to a consumer during one
18 episode of care. If it is determined by the facility director or
19 designee that the person is not medically stable, the officer shall
20 immediately transport the person to the nearest hospital or other
21 appropriate treatment facility.

22 E. If the person is medically unstable, the person may be
23 transported to an appropriate medical facility for medical
24 treatment. A treating physician may authorize that the person be

1 detained until the person becomes medically stable. When the person
2 becomes medically stable, if in the opinion of the treating or
3 discharging physician, the patient is still a person requiring
4 treatment as defined in Section 1-103 of this title, the physician
5 shall authorize detention of the patient for transportation as
6 provided in subsection D of this section ~~by an appropriate law~~
7 ~~enforcement agency.~~

8 F. ~~If the nearest facility designated by the Commissioner as an~~
9 ~~appropriate facility for an initial assessment or detention is in~~
10 ~~excess of fifty (50) miles from the county seat of the county in~~
11 ~~which the person is located, and whenever, as provided in paragraph~~
12 ~~(b) of Article III of Section 6-201 of this title, there are factors~~
13 ~~based upon clinical determinations made within the state indicating~~
14 ~~that the care and treatment of the person would be facilitated or~~
15 ~~improved thereby, the person may be transported by the officer to a~~
16 ~~facility in another state if the facility:~~

17 1. ~~Is located in a state that has enacted into law and entered~~

24 ~~county in which the person is located; and~~

1 ~~5. Has agreed prior to the person leaving the state to receive~~
2 ~~the person for initial assessment or detention.~~

3 6. The parent, brother or sister who is eighteen (18) years of
4 age or older, child who is eighteen (18) years of age or older, or
5 guardian of the person, or a person who appears to be or states that
6 such person is mentally ill, alcohol-dependent, or drug-dependent to
7 a degree that emergency action is necessary may request the
8 administrator of a facility designated by the Commissioner as an
9 appropriate facility for an initial assessment to conduct an initial
10 assessment to determine whether the condition of the person is such
11 that emergency detention is warranted and, if emergency detention is
12 warranted, to detain the person as provided in Section 5-206 of this
13 title.

14 SECTION 3. This act shall become effective November 1, 2021.
