Research Analysis

The proposed committee substitute for HB1882 creates the “Out-of Schoovertime Task Force” which shall identify ways to increase and improve the number of quality, affordable out-of-school programs in the state. The measure lists the requirements for the composition of the task force, and requires the task force to:

- Review existing maps of after-school programs and highlight gaps in access and equity
- Engage and solicit feedback from faculty at colleges and universities, community practitioners, professional associations, and the public.
- Recommend best practices to relevant state and local agencies
- Explore funding sources to support out-of-school programs
- Submit a report of its findings to the legislature and Governor by December 1, 2022.

Fiscal Analysis

As written, the measure establishes a taskforce which is not compensated, therefore it is not anticipated to result in a negative fiscal impact on the state budget or appropriations.
