**Research Analysis**

The proposed committee substitute for HB2471 allows the Department of Agriculture to establish expiration dates and renewal due dates for pesticide applicator licenses.

Prepared By: Emily Wendler

**Fiscal Analysis**

HB 2471 in its current form gives the Department of Agriculture, Food and Forestry more control over licenses for private applicators of pesticides. According to officials at the Department, it does not create a fiscal impact for the Department. Therefore, it should not create a fiscal impact on the State's budget or appropriations.
