Research Analysis

The proposed committee substitute1 for HB 2510 modifies the scope of the terms used to explain the programming and services in the Political Subdivisions Opioid Abatement Grants Act.

The measure modifies the following terms:

- Eligible participant
- Opioid grant awards

The measure revises the criteria for allocating opioid grant awards to eligible participants. The measure eliminates the requirement for grant awards to be subjected to legal service agreements.

The measure requires initial opioid grant awards to be listed on a distribution table.
