

BILL SUMMARY
2nd Session of the 58th Legislature

Bill No.:	SB 573
Version:	CS
Request Number:	11348
Author:	Vice Chairman Martinez
Date:	4/27/2022
Impact:	Municipalities:

Clarifies the Definition of Video Services

Research Analysis

Pending

Prepared By: House Research Staff

Fiscal Analysis

The measure clarifies the definition of "video services" as applied to granting of a certificate, license, permit or franchise for the operation of a video system by specifically not including providers of direct broadcast satellite service or providers of digital audiovisual works delivered over the Internet, including streaming content. No state impact will be realized.

Prepared By: Mark Tygret

Other Considerations

None.
