Bill Analysis

SB 1584 provides that active members of the Teachers' Retirement System who are employed and participating with an entity or institution within the University of Oklahoma system as an employee in 2022 and who, after January 1, 2023, is employed and participating with the University of Oklahoma shall receive credit for service for part-time or full time employment, as applicable with the University of Oklahoma in proportion to the number of hours of such employment in the year, divided by the number of hours of full-time employment in the year. The measure provides that the calculation of credit for full-time employment shall be awarded based on the proportion of the number of hours engaged in the supervision of students, residents and fellows of the University of Oklahoma. No member may receive more than 1 credit year for every calendar year.
