**Bill Analysis**

The FS for SB 707 modifies the membership of the Commission for Educational Quality and Accountability by removing the appointing requirements for each member and adding the President Pro Tempore of the Senate and Speaker of the House as appointing authorities. The FS also authorizes the Commission to renegotiate contracts with each statewide virtual charter school and repeals provisions of law creating the Statewide Virtual Charter School Board. Responsibilities of the repealed Board shall be consolidated under the Commission. The measure changes the appointing authority of the Administrator of the Office of Educational Quality and Accountability from the Commission to the Governor with the advice and consent of the Senate.
