Bill Analysis

SB 831 prohibits State Department of Health or an agent of the Department from entering immunization records or other data of an individual into any database or system such as the Oklahoma State Immunization Information System without the prior written informed consent of the individual or the parent or guardian if such an individual is a minor. The Department is also prohibited from sharing such data without the consent of such individuals. If consent is withdrawn at any time, such records of the individuals shall be deleted.
