BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified
in the Oklahoma Statutes as Section 4002.1 of Title 56, unless there
is created a duplication in numbering, reads as follows:

1 This act shall be known and may be cited as the "Ensuring Access
2 to Medicaid Act".

3 SECTION 2. NEW LAW A new section of law to be codified
4 in the Oklahoma Statutes as Section 4002.2 of Title 56, unless there
5 is created a duplication in numbering, reads as follows:

6 As used in this act:

7 1. "Adverse determination" has the same meaning as provided by
8 Section 6475.3 of Title 36 of the Oklahoma Statutes;

9 2. "Claims denial error rate" means the rate of claims denials
10 that are overturned on appeal;

11 3. "Clean claim" means a properly completed billing form with
12 Current Procedural Terminology, 4th Edition or a more recent
13 edition, the Tenth Revision of the International Classification of
14 Diseases coding or a more recent revision, or Healthcare Common
15 Procedure Coding System coding where applicable that contains
16 information specifically required in the Provider Billing and
17 Procedure Manual of the Oklahoma Health Care Authority;

18 4. "Dental benefit manager" means an entity under contract with
19 the Oklahoma Health Care Authority to manage and deliver dental
20 benefits and services to enrollees of the capitated managed care
21 delivery model of the state Medicaid program;

22 5. "Essential community provider" has the same meaning as
23 provided by 45 C.F.R., Section 156.235;

24

1 6. "Managed care organization" means a health plan under
2 contract with the Oklahoma Health Care Authority to participate in
3 and deliver benefits and services to enrollees of the capitated
4 managed care delivery model of the state Medicaid program;

5 7. "Material change" includes, but is not limited to, any
6 change in overall business operations such as policy, process or
7 protocol which affects, or can reasonably be expected to affect,
8 more than five percent (5%) of enrollees or participating providers
9 of the managed care organization or dental benefit manager;

10 8. "Medical necessity" has the same meaning as provided by
11 rules of the Oklahoma Health Care Authority Board;

12 9. "Participating provider" means a provider who has a contract
13 with or is employed by a managed care organization or dental benefit
14 manager to provide services to enrollees under the capitated managed
15 care delivery model of the state Medicaid program; and

16 10. "Provider" means a health care or dental provider licensed
17 or certified in this state.

18 SECTION 3. NEW LAW A new section of law to be codified
19 in the Oklahoma Statutes as Section 4002.3 of Title 56, unless there
20 is created a duplication in numbering, reads as follows:

21 A. Unless expressly authorized by the Legislature, the Oklahoma
22 Health Care Authority may only require enrollment in a capitated
23 managed care delivery model of the state Medicaid program for
24 eligible individuals from an enrollee population of the state

1 Medicaid program delineated as a mandatory enrollment population in
2 the SoonerSelect Request for Proposals awarded in January of 2021 or
3 the SoonerSelect Dental Program Request for Proposals awarded in
4 February of 2021.

5 B. 1. Unless expressly authorized by the Legislature,
6 enrollment in a capitated managed care delivery model of the state
7 Medicaid program shall be voluntary for eligible individuals from an
8 enrollee population of the state Medicaid program delineated as a
9 voluntary enrollment population in the SoonerSelect Request for
10 Proposals awarded in January of 2021 or the SoonerSelect Dental
11 Program Request for Proposals awarded in February of 2021.

12 2. The Authority may only utilize an opt-in enrollment process
13 for the voluntary enrollment of individuals in the American
14 Indian/Alaska Native population.

15 C. Unless expressly authorized by the Legislature, the
16 Authority shall not:

17 1. Require enrollment in a capitated managed care delivery
18 model of the state Medicaid program for eligible individuals from
19 any enrollee population of the state Medicaid program delineated as
20 an excluded population in or omitted entirely from the SoonerSelect
21 Request for Proposals awarded in January of 2021 or the SoonerSelect
22 Dental Program Request for Proposals awarded in February of 2021; or

23 2. Offer voluntary enrollment in a capitated managed care
24 delivery model of the state Medicaid program to eligible individuals

1 from any enrollee population of the state Medicaid program
2 delineated as an excluded population in or omitted entirely from the
3 SoonerSelect Request for Proposals awarded in January of 2021 or the
4 SoonerSelect Dental Program Request for Proposals awarded in
5 February of 2021.

6 SECTION 4. NEW LAW A new section of law to be codified
7 in the Oklahoma Statutes as Section 4002.4 of Title 56, unless there
8 is created a duplication in numbering, reads as follows:

9 A. The Oklahoma Health Care Authority shall develop network
10 adequacy standards for all managed care organizations and dental
11 benefit managers that, at a minimum, meet the requirements of 42
12 C.F.R., Sections 438.14 and 438.68. Network adequacy standards
13 established under this subsection shall be designed to ensure
14 enrollees covered by the managed care organizations and dental
15 benefit managers who reside in health professional shortage areas
16 (HPSAs) designated under Section 332(a)(1) of the Public Health
17 Service Act (42 U.S.C., Section 254e(a)(1)) have access to in-person
18 health care and telehealth services with providers, especially adult
19 and pediatric primary care practitioners.

20 B. All managed care organizations and dental benefit managers
21 shall meet or exceed network adequacy standards established by the
22 Authority under subsection A of this section to ensure sufficient
23 access to providers for enrollees of the state Medicaid program.

24

1 C. All managed care organizations and dental benefit managers
2 shall contract to the extent possible and practicable with all
3 essential community providers, all providers who receive directed
4 payments in accordance with 42 C.F.R., Part 438 and such other
5 providers as the Authority may specify.

6 D. All managed care organizations and dental benefit managers
7 shall formally credential and recredential network providers at a
8 frequency required by a single, consolidated provider enrollment and
9 credentialing process established by the Authority in accordance
10 with 42 C.F.R., Section 438.214.

11 E. All managed care organizations and dental benefit managers
12 shall be accredited in accordance with 45 C.F.R., Section 156.275 by
13 an accrediting entity recognized by the United States Department of
14 Health and Human Services.

15 SECTION 5. NEW LAW A new section of law to be codified
16 in the Oklahoma Statutes as Section 4002.5 of Title 56, unless there
17 is created a duplication in numbering, reads as follows:

18 A. A managed care organization or dental benefit manager shall
19 promptly notify the Authority of all changes materially affecting
20 the delivery of care or the administration of its program.

21 B. A managed care organization or dental benefit manager shall
22 have a medical loss ratio that meets the standards provided by 42
23 C.F.R., Section 438.8.

24

1 C. A managed care organization or dental benefit manager shall
2 provide patient data to a provider upon request to the extent
3 allowed under federal or state laws, rules or regulations including,
4 but not limited to, the Health Insurance Portability and
5 Accountability Act of 1996.

6 D. A managed care organization or dental benefit manager or a
7 subcontractor of such managed care organization or dental benefit
8 manager shall not enforce a policy or contract term with a provider
9 that requires the provider to contract for all products that are
10 currently offered or that may be offered in the future by the
11 managed care organization or dental benefit manager or
12 subcontractor.

13 E. Nothing in a contract between the Authority and a managed
14 care organization or dental benefit manager shall prohibit the
15 managed care organization or dental benefit manager from contracting
16 with a statewide or regional accountable care organization to
17 implement the capitated managed care delivery model of the state
18 Medicaid program.

19 SECTION 6. NEW LAW A new section of law to be codified
20 in the Oklahoma Statutes as Section 4002.6 of Title 56, unless there
21 is created a duplication in numbering, reads as follows:

22 A. A managed care organization shall make a determination on a
23 request for an authorization of the transfer of a hospital inpatient
24

1 to a post-acute care or long-term acute care facility within twenty-
2 four (24) hours of receipt of the request.

3 B. Review and issue determinations made by a managed care
4 organization or, as appropriate, by a dental benefit manager for
5 prior authorization for care ordered by primary care or specialist
6 providers shall be timely and shall occur in accordance with the
7 following:

8 1. Within seventy-two (72) hours of receipt of the request for
9 any patient who is not hospitalized at the time of the request;
10 provided, that if the request does not include sufficient or
11 adequate documentation, the review and issue determination shall
12 occur within a time frame and in accordance with a process
13 established by the Authority. The process established by the
14 Authority pursuant to this paragraph shall include a time frame of
15 at least forty-eight (48) hours within which a provider may submit
16 the necessary documentation;

17 2. Within one (1) business day of receipt of the request for
18 services for a hospitalized patient including, but not limited to,
19 acute care inpatient services or equipment necessary to discharge
20 the patient from an inpatient facility;

21 3. Notwithstanding the provisions of paragraphs 1 or 2 of this
22 subsection, as expeditiously as necessary and, in any event, within
23 twenty-four (24) hours of receipt of the request for service if
24 adhering to the provisions of paragraphs 1 or 2 of this subsection

1 could jeopardize the enrollee's life, health or ability to attain,
2 maintain or regain maximum function. In the event of a medically
3 emergent matter, the managed care organization or dental benefit
4 manager shall not impose limitations on providers in coordination of
5 post-emergent stabilization health care including pre-certification
6 or prior authorization;

7 4. Notwithstanding any other provision of this subsection,
8 within twenty-four (24) hours of receipt of the request for
9 inpatient behavioral health services; and

10 5. Within twenty-four (24) hours of receipt of the request for
11 covered prescription drugs that are required to be prior authorized
12 by the Authority. The managed care organization shall not require
13 prior authorization on any covered prescription drug for which the
14 Authority does not require prior authorization.

15 C. Upon issuance of an adverse determination on a prior
16 authorization request under subsection B of this section, the
17 managed care organization or dental benefit manager shall provide
18 the requesting provider, within seventy-two (72) hours of receipt of
19 such issuance, with reasonable opportunity to participate in a peer-
20 to-peer review process with a provider who practices in the same
21 specialty, but not necessarily the same sub-specialty, and who has
22 experience treating the same population as the patient on whose
23 behalf the request is submitted; provided, however, if the
24 requesting provider determines the services to be clinically urgent,

1 the managed care organization or dental benefit manager shall
2 provide such opportunity within twenty-four (24) hours of receipt of
3 such issuance. Services not covered under the state Medicaid
4 program for the particular patient shall not be subject to peer-to-
5 peer review.

6 D. The Authority shall ensure that a provider offers to provide
7 to an enrollee in a timely manner services authorized by a managed
8 care organization or dental benefit manager.

9 SECTION 7. NEW LAW A new section of law to be codified
10 in the Oklahoma Statutes as Section 4002.7 of Title 56, unless there
11 is created a duplication in numbering, reads as follows:

12 A managed care organization or dental benefit manager shall
13 comply with the following requirements with respect to processing
14 and adjudication of claims for payment submitted in good faith by
15 providers for health care items and services furnished by such
16 providers to enrollees of the state Medicaid program:

17 1. A managed care organization or dental benefit manager shall
18 process a clean claim in the time frame provided by Section 1219 of
19 Title 36 of the Oklahoma Statutes and no less than ninety percent
20 (90%) of all clean claims shall be paid within fourteen (14) days of
21 submission to the managed care organization or dental benefit
22 manager. A clean claim that is not processed within the time frame
23 provided by Section 1219 of Title 36 of the Oklahoma Statutes shall
24 bear simple interest at the monthly rate of one and one-half percent

1 (1.5%) payable to the provider. A claim filed by a provider within
2 one (1) year of the date the item or service was furnished to an
3 enrollee shall be considered timely. If a claim meets the
4 definition of a clean claim, the managed care organization or dental
5 benefit manager shall not request medical records of the enrollee
6 prior to paying the claim. Once a claim has been paid, the managed
7 care organization or dental benefit manager may request medical
8 records if additional documentation is needed to review the claim
9 for medical necessity;

10 2. In the case of a denial of a claim including, but not
11 limited to, a denial on the basis of the level of emergency care
12 indicated on the claim, the managed care organization or dental
13 benefit manager shall establish a process by which the provider may
14 identify and provide such additional information as may be necessary
15 to substantiate the claim. Any such claim denial shall include the
16 following:

- 17 a. a detailed explanation of the basis for the denial,
- 18 and
- 19 b. a detailed description of the additional information
- 20 necessary to substantiate the claim;

21 3. Postpayment audits by a managed care organization or dental
22 benefit manager shall be subject to the following requirements:

- 23 a. subject to subparagraph b of this paragraph, insofar
- 24 as a managed care organization or dental benefit

1 manager conducts postpayment audits, the managed care
2 organization or dental benefit manager shall employ
3 the postpayment audit process determined by the
4 Authority,

5 b. the Authority shall establish a limit on the
6 percentage of claims with respect to which postpayment
7 audits may be conducted by a managed care organization
8 or dental benefit manager for health care items and
9 services furnished by a provider in a plan year, and

10 c. the Authority shall provide for the imposition of
11 financial penalties under such contract in the case of
12 any managed care organization or dental benefit
13 manager with respect to which the Authority determines
14 has a claims denial error rate of greater than five
15 percent (5%). The Authority shall establish the
16 amount of financial penalties and the time frame under
17 which such penalties shall be imposed on managed care
18 organizations and dental benefit managers under this
19 subparagraph, in no case less than annually; and

20 4. A managed care organization may only apply readmission
21 penalties pursuant to rules promulgated by the Oklahoma Health Care
22 Authority Board. The Board shall promulgate rules establishing a
23 program to reduce potentially preventable readmissions. The program
24 shall use a nationally recognized tool, establish a base measurement

1 year and a performance year, and provide for risk-adjustment based
2 on the population of the state Medicaid program covered by the
3 managed care organizations and dental benefit managers.

4 SECTION 8. NEW LAW A new section of law to be codified
5 in the Oklahoma Statutes as Section 4002.8 of Title 56, unless there
6 is created a duplication in numbering, reads as follows:

7 A. A managed care organization or dental benefit manager shall
8 utilize uniform procedures established by the Authority under
9 subsection B of this section for the review and appeal of any
10 adverse determination by the managed care organization or dental
11 benefit manager sought by any enrollee or provider adversely
12 affected by such determination.

13 B. The Authority shall develop procedures for enrollee or
14 providers to seek review by the managed care organization or dental
15 benefit manager of any adverse determination made by the managed
16 care organization or dental benefit manager. A provider shall have
17 six (6) months from the receipt of a claim denial to file an appeal.
18 With respect to appeals of adverse determinations made by a managed
19 care organization or dental benefit manager on the basis of medical
20 necessity, the following requirements shall apply:

21 1. Medical review staff of the managed care organization or
22 dental benefit manager shall be licensed or credentialed health care
23 clinicians with relevant clinical training or experience; and
24

1 2. All managed care organizations and dental benefit managers
2 shall use medical review staff for such appeals and shall not use
3 any automated claim review software or other automated functionality
4 for such appeals.

5 C. Upon receipt of notice from the managed care organization or
6 dental benefit manager that the adverse determination has been
7 upheld on appeal, the enrollee or provider may request a fair
8 hearing from the Authority. The Authority shall develop procedures
9 for fair hearings in accordance with 42 C.F.R., Part 431.

10 SECTION 9. NEW LAW A new section of law to be codified
11 in the Oklahoma Statutes as Section 4002.9 of Title 56, unless there
12 is created a duplication in numbering, reads as follows:

13 In addition to such other remedies or penalties as may be
14 prescribed by law, a managed care organization or dental benefit
15 manager found to be in violation of the provisions of or rules
16 promulgated under this act or of the terms and conditions of the
17 contract entered into between the managed care organization or
18 dental benefit manager and the Oklahoma Health Care Authority shall
19 be subject to one or more non-compliance remedies of the Authority.

20 SECTION 10. NEW LAW A new section of law to be codified
21 in the Oklahoma Statutes as Section 4002.10 of Title 56, unless
22 there is created a duplication in numbering, reads as follows:

23 A. The Oklahoma Health Care Authority shall require a managed
24 care organization or dental benefit manager to participate in a

1 readiness review in accordance with 42 C.F.R., Section 438.66. The
2 readiness review shall assess the ability and capacity of the
3 managed care organization or dental benefit manager to perform
4 satisfactorily in such areas as may be specified in 42 C.F.R.,
5 Section 438.66. In addition, the readiness review shall assess
6 whether:

7 1. The managed care organization or dental benefit manager has
8 entered into contracts with providers to the extent necessary to
9 meet network adequacy standards prescribed by Section 4 of this act;

10 2. The contracts described in paragraph 1 of this subsection
11 offer, but do not require, value-based payment arrangements as
12 provided by Section 12 of this act; and

13 3. The managed care organization or dental benefit manager and
14 the providers described in paragraph 1 of this subsection have
15 established and tested data infrastructure such that exchange of
16 patient data can reasonably be expected to occur within one hundred
17 twenty (120) calendar days of execution of the transition of the
18 delivery system described in subsection B of this section. The
19 Authority shall assess its ability to facilitate the exchange of
20 patient data, claims, coordination of benefits and other components
21 of a managed care delivery model.

22 B. The Oklahoma Health Care Authority may only execute the
23 transition of the delivery system of the state Medicaid program to
24 the capitated managed care delivery model of the state Medicaid

1 program ninety (90) days after the Centers for Medicare and Medicaid
2 Services has approved all contracts entered into between the
3 Authority and all managed care organizations and dental benefit
4 managers following submission of the readiness reviews to the
5 Centers for Medicare and Medicaid Services.

6 SECTION 11. NEW LAW A new section of law to be codified
7 in the Oklahoma Statutes as Section 4002.11 of Title 56, unless
8 there is created a duplication in numbering, reads as follows:

9 No later than one year following the execution of the delivery
10 model transition described in Section 10 of this act, the Oklahoma
11 Health Care Authority shall create a scorecard that compares managed
12 care organizations and dental benefit managers. The scorecard shall
13 report the average speed of authorizations of services, rates of
14 denials of services, enrollee satisfaction survey results and such
15 other criteria as the Authority may require. The scorecard shall be
16 compiled quarterly and shall consist of the information specified in
17 this section from the prior year. The Authority shall provide the
18 most recent quarterly scorecard to all initial enrollees during
19 enrollment choice counseling following the eligibility determination
20 and prior to initial enrollment. The Authority shall provide the
21 most recent quarterly scorecard to all enrollees at the beginning of
22 each enrollment period. The Authority shall publish each quarterly
23 scorecard on its Internet website.

24

1 SECTION 12. NEW LAW A new section of law to be codified
2 in the Oklahoma Statutes as Section 4002.12 of Title 56, unless
3 there is created a duplication in numbering, reads as follows:

4 A. The Oklahoma Health Care Authority shall establish minimum
5 rates of reimbursement from managed care organizations and dental
6 benefit managers to providers who elect not to enter into value-
7 based payment arrangements under subsection B of this section for
8 health care items and services furnished by such providers to
9 enrollees of the state Medicaid program. Until July 1, 2026, such
10 reimbursement rates shall be equal to or greater than:

11 1. For an item or service provided by a participating provider
12 who is in the network of the managed care organization or dental
13 benefit manager, one hundred percent (100%) of the reimbursement
14 rate for the applicable service in the applicable fee schedule of
15 the Authority; or

16 2. For an item or service provided by a non-participating
17 provider or a provider who is not in the network of the managed care
18 organization or dental benefit manager, ninety percent (90%) of the
19 reimbursement rate for the applicable service in the applicable fee
20 schedule of the Authority as of January 1, 2021.

21 B. A managed care organization or dental benefit manager shall
22 offer value-based payment arrangements to all providers in its
23 network capable of entering into value-based payment arrangements.
24 Such arrangements shall be optional for the provider. The quality

1 measures used by a managed care organization or dental benefit
2 manager to determine reimbursement amounts to providers in value-
3 based payment arrangements shall align with the quality measures of
4 the Authority for managed care organizations or dental benefit
5 managers.

6 C. Notwithstanding any other provision of this section, the
7 Authority shall comply with payment methodologies required by
8 federal law or regulation for specific types of providers including,
9 but not limited to, Federally Qualified Health Centers, rural health
10 clinics, pharmacies, Indian Health Care Providers and emergency
11 services.

12 SECTION 13. NEW LAW A new section of law to be codified
13 in the Oklahoma Statutes as Section 4002.13 of Title 56, unless
14 there is created a duplication in numbering, reads as follows:

15 A. There is hereby created the MC Quality Advisory Committee
16 for the purpose of performing the duties specified in subsection B
17 of this section.

18 B. The primary power and duty of the Committee shall be to make
19 recommendations to the Administrator of the Oklahoma Health Care
20 Authority and the Oklahoma Health Care Authority Board on quality
21 measures used by managed care organizations and dental benefit
22 managers in the capitated managed care delivery model of the state
23 Medicaid program.

24

1 C. 1. The Committee shall be comprised of members appointed by
2 the Administrator of the Oklahoma Health Care Authority. Members
3 shall serve at the pleasure of the Administrator.

4 2. A majority of the members shall be providers participating
5 in the capitated managed care delivery model of the state Medicaid
6 program, and such providers may include members of the Advisory
7 Committee on Medical Care for Public Assistance Recipients. Other
8 members shall include, but not be limited to, representatives of
9 hospitals and integrated health systems, other members of the health
10 care community, and members of the academic community having
11 subject-matter expertise in the field of health care or subfields of
12 health care, or other applicable fields including, but not limited
13 to, statistics, economics or public policy.

14 3. The Board shall select from among its membership a chair and
15 vice chair.

16 E. 1. The Board may meet as often as may be required in order
17 to perform the duties imposed on it.

18 2. A quorum of the Board shall be required to approve any final
19 action of the Board. A majority of the members of the Board shall
20 constitute a quorum.

21 3. Meetings of the Board shall be subject to the Oklahoma Open
22 Meeting Act.

23 F. Members of the Board shall receive no compensation or travel
24 reimbursement.

1 G. The Oklahoma Health Care Authority shall provide staff
2 support to the Board. To the extent allowed under federal or state
3 law, rules or regulations, the Authority, the State Department of
4 Health, the Department of Mental Health and Substance Abuse Services
5 and the Department of Human Services shall as requested provide
6 technical expertise, statistical information, and any other
7 information deemed necessary by the chair of the Board to perform
8 the duties imposed on it.

9 SECTION 14. NEW LAW A new section of law to be codified
10 in the Oklahoma Statutes as Section 4003 of Title 56, unless there
11 is created a duplication in numbering, reads as follows:

12 To the extent allowed under federal law and regulation, no later
13 than July 1, 2023, the Oklahoma Health Care Authority shall develop
14 a separate delivery model that controls costs and improves health
15 outcomes for enrollee populations of the state Medicaid program that
16 are excluded from the capitated managed care delivery model. The
17 delivery model shall contain new programs or improve upon existing
18 programs of the Authority and shall include, but not be limited to,
19 the following elements:

20 1. Chronic care management. The Authority shall develop and
21 carry out a plan for chronic care coordination that shall include,
22 but not be limited to, the following components:

- 23 a. medication therapy management,
- 24 b. patient education,

1 c. frequent interaction between the Authority and
2 enrollees to identify potential health needs and
3 decrease emergency department and hospital
4 utilization, and

5 d. development of a long-term plan of wellness for each
6 beneficiary; and

7 2. Payment reform. The Authority shall, to the extent
8 practicable, establish value-based payments for providers that
9 incentivize providers with improved quality metrics and health
10 outcomes.

11 SECTION 15. NEW LAW A new section of law to be codified
12 in the Oklahoma Statutes as Section 4004 of Title 56, unless there
13 is created a duplication in numbering, reads as follows:

14 A. The Oklahoma Health Care Authority shall seek any federal
15 approval necessary to implement this act.

16 B. The Oklahoma Health Care Authority Board shall promulgate
17 rules to implement this act.

18 SECTION 16. This act shall become effective September 1, 2021.
