3 PROPOSED COMMITTEE
4 SUBSTITUTE
5 FOR
6 HOUSE BILL NO. 1073

By: Smith

7
8 PROPOSED COMMITTEE SUBSTITUTE

9 An Act relating to motor vehicles; amending 47 O.S.
10 2021, Section 1111, as amended by Section 123,
11 Chapter 282, O.S.L. 2022 (47 O.S. Supp. 2022, Section
12 1111), which relates to salvage titles; requiring
13 notification of penalty; requiring Service Oklahoma
14 to cancel certain certificates of title; requiring
15 issuance of certain certificate of title; requiring
16 the mailing of certain documents; and providing an
17 effective date.

18 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

19 SECTION 1. AMENDATORY 47 O.S. 2021, Section 1111, as
20 amended by Section 123, Chapter 282, O.S.L. 2022 (47 O.S. Supp.
21 2022, Section 1111), is amended to read as follows:

22 Section 1111. A. As used in this section:

23 1. "Loss" means the cost, in dollars, to repair or replace a
24 vehicle which has been damaged by collision or other occurrence.
The amount paid by an insurer to a holder of the certificate of

1 title for repair of a damaged vehicle shall be prima facie evidence
2 of the amount of the loss. The amount paid by an insurer to a
3 holder of the certificate of title for replacement of a damaged
4 vehicle less the resale value of the damaged vehicle shall be prima
5 facie evidence of the amount of the loss;

6 2. "Fair market value" means the value of a vehicle as listed
7 in the current National Auto Dealers Association guidebook or other
8 similar guidebook or the actual cash value, whichever is greater;

9 3. "Resale value" means the amount, in dollars, paid to the
10 holder of a certificate of title by a willing buyer for a vehicle
11 damaged by collision or other occurrence or recovered from theft;

12 4. "Total loss" means a loss which is equal to the fair market
13 value of the vehicle immediately prior to the damage to or theft of
14 the vehicle; and

15 5. "Vehicle" means a vehicle, as defined in paragraph ~~40~~ 41 of
16 Section 1102 of this title, manufactured within the last ten (10)
17 model years.

18 B. Any insurance company that pays a total loss on a claim for
19 any vehicle including, but not limited to, a flood-damaged vehicle
20 or recovered-theft vehicle, any junk dealer who receives a motor
21 vehicle which is to be used for junk or for parts, or any other
22 person permanently dismantling or junking a vehicle shall receive
23 the certificate of title from the current holder of the certificate
24 of title, shall detach the license plate from the vehicle, and shall

1 return the license plate and the certificate of title to Service
2 Oklahoma or a licensed operator within thirty (30) days from receipt
3 of the certificate, or insurance companies may provide alternate
4 documentation within thirty (30) days pursuant to subsection P of
5 Section 1105 of this title. Service Oklahoma shall cancel the
6 certificate of title to the vehicle used for junk or parts and shall
7 preserve the vehicle identification numbers on the certificate of
8 title in the computer files for at least five (5) years. No
9 certificate of title may be reissued on a junked vehicle as defined
10 in Section 1105 of this title, unless reissued pursuant to paragraph
11 3 of subsection C of this section. Service Oklahoma shall transfer
12 ownership of a stolen vehicle, not recovered from theft at the time
13 of transfer, by salvage or unrecovered-theft title to the insurer.
14 Service Oklahoma shall transfer ownership of a vehicle damaged by
15 flooding or other occurrence to the insurer by an original title,
16 salvage title, or junked title, as may be appropriate, based upon an
17 estimate of the amount of loss submitted by the insurer. All
18 license plates surrendered to Service Oklahoma shall be destroyed.

19 C. 1. If an insurance company pays a claim for a loss which is
20 less than a total loss but the cost of repairing the vehicle for
21 safe operation on the highway exceeds sixty percent (60%) of the
22 fair market value of the vehicle, or if any vehicle not insured is
23 damaged to the extent that the cost of repair for safe operation on
24 the highway exceeds sixty percent (60%) of the fair market value of

1 the vehicle, any holder of the certificate of title for the vehicle
2 shall return the certificate of title to Service Oklahoma or a
3 licensed operator within thirty (30) days from receipt of payment
4 for the loss.

5 2. Upon receipt of the certificate, Service Oklahoma or the
6 licensed operator shall issue a salvage title for the vehicle. The
7 title for any vehicle damaged by flooding shall be stamped with the
8 words "Flood Damaged", and for any such vehicle which was recovered
9 from a theft, the salvage title or rebuilt title shall be stamped
10 with the words "Recovered Theft". A licensed dealer subject to the
11 provisions of the Automotive Dismantlers and Parts Recycler Act,
12 Section 591.1 et seq. of this title, shall not be required to pay
13 registration fees, excise taxes, back taxes, or penalties on a
14 vehicle as a prerequisite to obtaining a salvage title.

15 3. If the actual documented cost of repairing the vehicle for
16 safe operation on the highway does not exceed sixty percent (60%) of
17 the fair market value of the vehicle as defined in this section, the
18 certificate of title shall be reissued to the holder and the vehicle
19 shall not be subject to inspection as required under this section.
20 The actual documented cost of repairing the vehicle pursuant to this
21 paragraph shall be certified by the insurance company paying the
22 loss.

23 D. If a motor vehicle with a salvage title is placed in
24 operative condition, application shall be made to Service Oklahoma

1 or a licensed operator for a rebuilt title. A visual inspection of
2 the vehicle and examination of the vehicle identification numbers
3 shall be conducted prior to the issuance of a rebuilt title. At the
4 time of issuance, the salvage title shall be returned to Service
5 Oklahoma by the owner, or by the licensed operator if the licensed
6 operator issues the rebuilt title. A visual inspection shall also
7 be made of any out-of-state vehicle to be registered and titled in
8 this state if the vehicle is within the class of vehicles for which
9 a rebuilt title is required and a similar inspection has not been
10 conducted by another state. The certificate of title for the
11 rebuilt vehicle shall be stamped with the words, "This Rebuilt
12 Vehicle Has Been Inspected by the Appropriate State Official."

13 E. 1. The visual inspections and examination of vehicle
14 identification numbers shall include, but not be limited to:

- 15 a. comparison of the vehicle identification numbers with
16 the number recorded on the ownership records,
- 17 b. inspection of the vehicle identification numbers and
18 the VIN plate to detect possible alteration or other
19 fraud,
- 20 c. interpretation of the vehicle identification number
21 recorded on the ownership documents to assure that it
22 accurately describes the motor vehicle in question,
23 and

24

1 d. inspection of the odometer of the vehicle to detect
2 rollback or alteration.

3 2. All vehicle damage shall be repaired before the examination
4 is conducted. The following paperwork shall be presented to the
5 licensed operator: the salvage title and original receipts for all
6 parts placed on the vehicle. Components such as doors, motor, and
7 transmission shall indicate the serial number or the vehicle
8 identification number (VIN) of the auto the part was purchased from
9 or removed from.

10 F. The visual inspection and vehicle identification numbers
11 examination shall be performed by a licensed operator at the
12 location designated by the licensed operator. If the location of
13 the inspection is not the place of business of the rebuilder, the
14 licensed operator shall issue a permit authorizing the applicant to
15 operate the vehicle upon the public streets, roads, and highways in
16 route to and from the designated location for the inspection. The
17 inspection and examination shall be performed within ten (10)
18 working days after the owner of the vehicle requests the inspection
19 and examination. Requests shall be made by completing the request
20 form prescribed and provided by Service Oklahoma.

21 G. Inspection and examination of a rebuilt vehicle shall be
22 performed by a person employed by a licensed operator.

23 H. The fee for the examination by the licensed operator shall
24 be Twenty-five Dollars (\$25.00), which shall be paid at the time of

1 issuance of the certificate of title for the rebuilt vehicle. The
2 licensed operator shall retain Five Dollars (\$5.00) and shall remit
3 Twenty Dollars (\$20.00) to the Tax Commission which shall retain Ten
4 Dollars (\$10.00) and transmit Ten Dollars (\$10.00) to the State
5 Treasurer for deposit in the Department of Public Safety Revolving
6 Fund through December 31, 2022. Beginning January 1, 2023, the
7 licensed operator shall retain Five Dollars (\$5.00) and shall remit
8 Twenty Dollars (\$20.00) to the Tax Commission which shall retain Ten
9 Dollars (\$10.00) and transmit Ten Dollars (\$10.00) to the State
10 Treasurer for deposit in the Service Oklahoma Revolving Fund. The
11 licensed operator and its employees and agents may not be sued for
12 and shall not be liable for any damages allegedly arising out of the
13 inspection of a vehicle or any acts or omissions in the performance
14 of the inspection. The licensed operator may be held liable for any
15 damages to the vehicle caused by the negligent acts or omissions in
16 the performance of the inspection. Any person may be liable for any
17 damages to a vehicle caused by the intentional acts or omissions in
18 the performance of the inspection.

19 I. The rebuilt title and any subsequent transfers of such title
20 shall also reflect that the vehicle was a salvage vehicle, flood-
21 damaged vehicle or recovered-theft vehicle, if applicable, and also
22 shall include the salvage date.

23 J. Any title for a motor vehicle issued pursuant to the laws of
24 any other state which reflects that such vehicle is a salvage

1 vehicle, a rebuilt vehicle or a junked vehicle or has any other
2 brand or classification notation by that state shall be retained on
3 the new title issued by Service Oklahoma unless the actual
4 documented cost of repairing the vehicle for safe operation on the
5 highway does not exceed sixty percent (60%) of the fair market value
6 of the vehicle as provided by this section.

7 K. When the insurance company pays a loss on a vehicle which is
8 registered at the time of mishap, accident, burning, or flooding,
9 the appropriate certificate of title shall be issued without the
10 payment of additional registration fees or excise taxes, upon the
11 submission of a police report or insurance adjuster's report and a
12 declaration by the insurer that the vehicle is held for sale to a
13 dealer. If the owner of the vehicle or other insured retains
14 ownership of the damaged vehicle, Service Oklahoma shall notify the
15 owner or insured of the requirements of this section.

16 L. Any insurance company that pays a claim for a loss where the
17 cost of repairing the vehicle for safe operation on the highway
18 exceeds sixty percent (60%) of the market value of the vehicle or
19 pays a claim for a flood-damaged vehicle as defined in Section 1105
20 of this title shall notify, in writing, the holder of the
21 certificate of title of the requirements of this section and shall
22 notify Service Oklahoma of the payment of such claim. The notice
23 shall include the estimated total damage percentage determination of
24 the actual cash value made by the insurance company to repair the

1 vehicle for safe operation on the highway. The insurance company
2 shall also send a copy of the notification to the holder of the
3 title. Service Oklahoma shall provide notice to the owner of the
4 vehicle, in writing, requiring the owner to surrender the title
5 along with the fee to Service Oklahoma or one of its licensed
6 operators within thirty (30) days from the receipt of notice for the
7 issuance of the appropriate title based on the amount of loss and
8 shall advise the owner of the penalty for failing to do so. If the
9 owner fails to surrender the certificate of title within thirty (30)
10 days, Service Oklahoma shall cancel the certificate of title and
11 shall issue the appropriate certificate of title for the loss
12 incurred and mail it to the owner or lienholder of the certificate
13 of title along with a statement of the fees due for the transfer.
14 Service Oklahoma shall reissue the appropriate title with the words
15 "Flood Damaged" on the face of the title in the case of a flood-
16 damaged vehicle; provided, no insurance company shall pay a claim
17 for less than the amount to which the holder of the certificate of
18 title is rightfully entitled in order to avoid compliance with this
19 section.

20 M. Except as provided for in subsection N of this section, any
21 person, firm, corporation, or other legal entity convicted of
22 violating any provision of this section shall be guilty of a
23 misdemeanor and shall be punished by a fine of not less than Three
24

1 Hundred Dollars (\$300.00) or by incarceration in the county jail for
2 not more than six (6) months, or by both the fine and incarceration.

3 N. Any owner of a titled vehicle who has knowledge that the
4 title is not the proper type for the vehicle and, with intent to
5 misrepresent the vehicle, fails to make the appropriate title
6 changes, shall be guilty of a misdemeanor. Any person who has
7 knowledge that the title is not the proper type for the vehicle, and
8 with intent to misrepresent the vehicle, buys or receives any
9 vehicle for which the appropriate title changes have not been made
10 as required by this act shall be guilty of a misdemeanor. Any
11 person found guilty in accordance with the provisions of this
12 subsection shall be punished by a fine of not more than One Thousand
13 Dollars (\$1,000.00) for the first offense or Five Thousand Dollars
14 (\$5,000.00) for the second or subsequent offense, or by imprisonment
15 in the county jail for a term not exceeding six (6) months, or by
16 both such fine and imprisonment.

17 O. Any owner of a salvage or junked vehicle shall submit the
18 certificate of title to Service Oklahoma or the licensed operator
19 for issuance of an appropriate title. Any holder of a certificate
20 of title issued by this state, to a vehicle which no longer exists,
21 shall surrender the certificate of title to Service Oklahoma for
22 cancellation. The vehicle identification number on the canceled
23 certificate of title shall be preserved in the computer of Service
24 Oklahoma for at least five (5) years.

1 Nothing in this section shall be construed to prevent the
2 transfer of ownership of a vehicle by assignment of the title to a
3 used car dealer, wholesale used car dealer, or a licensed automotive
4 dismantler or parts recycler.

5 SECTION 2. This act shall become effective November 1, 2023.
