6 By: Caldwell (Trey)

7 COMMITTEE SUBSTITUTE

8 An Act relating to Oklahoma Petroleum Storage Tank
9 Consolidation Act; amending 17 O.S. 2021, Section
10 347, which relates to ethanol or methanol labeling;
11 requiring motor fuel with certain amount of ethanol
12 be labeled pursuant to federal requirements; and
13 providing an effective date.

14 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

15 SECTION 1. AMENDATORY 17 O.S. 2021, Section 347, is
16 amended to read as follows:

17 Section 347. A. No person shall sell or offer for sale motor
18 fuel from a motor fuel dispenser supplied by a storage tank into
19 which motor fuel that contains a mixture of at least one percent
20 (1%) by volume of ethanol or methanol has been delivered within the
21 sixty-day period preceding the date of sale or offer of sale unless
22 the person prominently displays on the dispenser from which the
23 mixture is sold a label that complies with subsection B of this
24 section.

1 B. 1. A label as required in subsection A of this section
2 shall:

3 ~~1. Be~~

4 a. be displayed on each face of the motor fuel dispenser
5 on which the price of the motor fuel mixture sold from
6 the dispenser is displayed~~+~~,

13 inch wide~~+~~, and

14 ~~4. Be~~

15 d. be displayed in a clear, conspicuous and prominent
16 manner, visible to customers using either side of the
17 dispenser.

18 2. If the motor fuel contains fifteen percent (15%) ethanol, a
19 pump label as required in subsection A of this section shall meet
20 federal E15 labeling requirements as ruled by the Environmental
21 Protection Agency pursuant to 40 CFR Part 1090.1510 as it is written
22 on February 1, 2023.

23 C. If a motor fuel dispenser is supplied by a storage tank into
24 which motor fuel containing at least ten percent (10%) ethanol by

1 volume or at least five percent (5%) methanol by volume is delivered
2 in the sixty-day period preceding the date of the sale or offer of
3 sale, the sign as required in subsection A of this section shall
4 also state the percentage of ethanol or methanol by volume, to the
5 nearest whole percent, of the motor fuel having the highest
6 percentage of ethanol or methanol delivered into that storage tank
7 during that period.

8 D. On request by a motor fuel user, a person selling or
9 offering for sale motor fuel from a motor fuel dispenser shall
10 reveal:

11 1. The percentage of ethanol contained in the motor fuel being
12 sold;

13 2. The percentage of methanol contained in the motor fuel being
14 sold; and

15 3. If the motor fuel contains methanol, the types and
16 percentages of associated cosolvents contained in the motor fuel
17 being sold.

18 E. The provisions of this section shall not prohibit the
19 posting of any other alcohol or additive information. Other alcohol
20 or additive information and any relevant posting shall be subject to
21 regulation by the Corporation Commission.

22 F. The Corporation Commission shall promulgate rules as
23 necessary to implement the provisions of this section.
