Any services provided outside this state shall be allowed in an amount as if the services had been performed within the State of Oklahoma.

3. The provisions of this subsection shall apply to living and transportation expenses incurred after the biological mother of the minor contacts the child-placing agency or attorney for adoption services.

4. The provisions of this subsection shall not prohibit a court from extending any time period, or including any additional costs and expenses in connection with an adoption other than those specified in this subsection based on unusual circumstances or need. If additional costs and expenses in connection with an adoption are approved by the court, the court shall specify in writing the unusual circumstances that justify the approval.

5. Except as otherwise ordered by the court except for good cause shown, all payments made pursuant to this section shall be paid directly to the third-party provider of services or goods. D. 1. Except for the amount authorized by subsection C of this section, the payment of any living or transportation expenses for benefit of the birth mother as authorized in subparagraph e of paragraph 1 of subsection B of this section shall be approved in advance by the court.

2. The person, attorney, or licensed child-placing agency desiring to pay living or transportation expenses on behalf of a birth mother which exceed the amount in subsection C of this section shall file a petition for an order approving payment of adoption-related expenses.

3. The petition for an order approving payment of adoption-related expenses shall be filed in the district court where the adoption petition is to be filed, as provided in Section 7502-1.2 of this title.

4. The petition shall be captioned: "In the matter of Baby (name)." The petition shall include a listing of all anticipated living or transportation expenses to be paid on behalf of the birth mother for which court approval is being sought. If additional expenditures not previously authorized by the court are needed on behalf of the birth mother, an amended petition may be filed with the court.

5. The petition shall be heard by the court within ten (10) days of filing. The court clerk shall charge the same cost for a petition for payment of expenses as is charged for the filing of an adoption petition. In the event an adoption petition is later filed in the same county, the adoption petition shall be filed as an amended petition within the same case in which payment for expenses was approved and no additional court costs shall be required. In the event a petition for preadoption termination of parental rights is later filed in the same county, the court clerk shall not assess an additional filing fee and may use the same case number as for the petition for adoption.

6. Any order authorizing payment shall be attached to a petition for adoption. If no adoption petition is filed, the court shall retain jurisdiction to enter any orders deemed appropriate regarding the reimbursement of costs and expenses paid. If the child is placed for adoption outside the State of Oklahoma, any such order shall be submitted to the Interstate Compact of the Placement
