14 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

15 SECTION 1. AMENDATORY 68 O.S. 2021, Section 3003, is
16 amended to read as follows:

17 Section 3003. A. It shall be unlawful for the governing board
18 of any county, city, town, school district, or other governmental
19 subdivision of this state, in preparation of its budget for any
20 fiscal year, to estimate as probable income from sources other than
21 ad valorem tax of such governmental subdivision of the state and
22 other than any excise or other tax assessed by legislative enactment
23 and distributed in lieu of ad valorem taxes, any revenue from
24 nonrecurrent sources, regardless of such collections in the

1 immediately preceding fiscal year, to be derived from or the result
2 of sales, forfeitures, penalties, gifts, federal aid allotments of
3 every kind, windfalls, seizures, sheriff's sales, court actions
4 whether civil or criminal, injunctions or protests won or released
5 by dismissal, or from any other such source not normally recurrent
6 year after year and so made recurrent by legislative enactment.
7 Provided, that upon a finding by the governing board of any county,
8 city, town, school district, or other governmental subdivision of
9 this state, that a source of income, although nonrecurrent, will
10 actually be available for the next ensuing fiscal year, the board
11 may include such income in its estimate of probable income.
12 Provided, that shared revenues of the federal government, if
13 ascertainable, shall be allowed to be included in the estimates. It
14 shall also be unlawful for any excise board to approve or require
15 the same, or for any supervisory state board, commission, or
16 officer, or for any agent or employee of either thereof to
17 countenance, approve, or require the same or to diminish in any
18 degree the distribution or allotment of state revenues or
19 appropriations by reason of such collections in a prior year or
20 prospect of such collections in the ensuing year; nor shall any
21 revenue received by a school district from gross production taxes
22 during the immediately preceding fiscal year, which was payable to
23 such district in another year or years, be considered as minimum
24 program income of such district for state aid purposes. The

1 provisions of Section 21 of Title 21 of the Oklahoma Statutes shall
2 be applicable where the foregoing prohibitions are disregarded.
3 Revenue received by a school district during the immediately
4 preceding year, which was earned by, or which was payable to, such
5 school district in another year or years, shall not be considered as
6 minimum program income of such district for state aid purposes.

8 subdivisions of government in ~~the State of Oklahoma~~ this state,
9 hereinafter referred to as the recipient government, from the

21 needed upon the request of the governing board of the recipient
22 government and approval by the county excise board; provided, if
23 the governing board of the recipient government determines the need
24 to do so, it may estimate the amount remaining to be collected from

1 its entitlement from federal funds during the remainder of its
2 fiscal year and include such estimate in its request for
3 appropriations. The estimate shall not exceed the amount of the
4 entitlement which is to be received during the remainder of the
5 recipient government's fiscal year or, if the amount of the
6 entitlement has not been certified, ninety percent (90%) of such
7 funds received during a corresponding period of the previous fiscal
8 year; provided, that if the entitlement is less than that estimated
9 or if the entitlement to be collected during the recipient
10 government's fiscal year, in addition to the unappropriated cash
11 balance, is reduced below the amount appropriated for the fiscal
12 year, the governing board of the recipient government shall request
13 the county excise board for an adequate reduction of appropriations
14 in the fund.

15 All disbursements made from the fund in which federal monies are
16 deposited shall be made in the same manner as those made from the

10 authorize a letter of commitment of federal, state, or tribal monies
11 available to the recipient government. The ~~Excise Board~~ excise
