10 2021, Section 840-2.10, which relates to the State  
11 Employee Assistance Program; authorizing the Oklahoma  
12 Department of Mental Health and Substance Abuse  
13 Services to enter into certain agreements; and  
14 providing an effective date.

15 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

16 SECTION 1. AMENDATORY 74 O.S. 2021, Section 840-2.10, is  
17 amended to read as follows:

18 Section 840-2.10 A. There is hereby created a State Employee  
19 Assistance Program within the Department of Mental Health and  
20 Substance Abuse Services. All functions, powers, duties, funds and  
21 obligations of the Office of Management and Enterprise Services in  
22 administration of the State Employee Assistance Program shall be  
23 transferred to the Department. The program may provide assistance  
24 to state agencies in their management of employees whose personal  
problems may have a negative impact on job performance. The program

1 may also provide for assessment, referral, consultation, and problem  
2 resolution assistance to state employees and their family members  
3 seeking corrective help with medical or mental health problems,  
4 including alcohol or drug abuse and emotional, marital, familial,  
5 financial or other personal problems. Participation in the State  
6 Employee Assistance Program shall be on a voluntary basis.

7 B. The Department may enter into contracts which are necessary  
8 and proper to carry out the purposes and functions of the State  
9 Employee Assistance Program and establish standards and criteria  
10 which shall be met by entities to be eligible to contract with the  
11 Department.

12 C. The Commissioner of the Department is hereby directed to:

13 1. Promulgate rules necessary for the administration of the  
14 State Employee Assistance Program and the maintenance and release of  
15 participant records; and

16 2. Establish evaluation methods to assess the effectiveness of  
17 the State Employee Assistance Program.

18 D. Nothing in this act is intended to nullify any agency's  
19 existing employee assistance program or to prohibit any state agency  
20 from establishing its own employee assistance program; provided,  
21 however, such programs established by state agencies shall be  
22 subject to compliance with rules promulgated by the Commissioner of  
23 the Department to ensure equitable treatment of employees.

1 E. Records that relate to participation by an individual in the  
2 State Employee Assistance Program or an employee assistance program  
3 established by a state agency shall be maintained separate and apart  
4 from regular personnel records and shall not become part of an  
5 employee's personnel file. Such records relating to an individual's  
6 participation in an employee assistance program shall be  
7 confidential and neither the records nor the testimony of an  
8 Employee Assistance Program professional shall be subject to  
9 subpoena unless a participant poses a threat to deliberately harm  
10 the participant or others. Such determination shall be made by an  
11 Employee Assistance Program professional. A participant in an  
12 employee assistance program shall have a right of access to his or  
13 her own employee assistance program records.

14 F. No provision of this section or the rules promulgated  
15 pursuant to this section shall be construed to conflict with an  
16 appointing authority's responsibility and authority to maintain  
17 discipline or to take disciplinary measures against employees for  
18 misconduct or unacceptable performance. Further, participation or  
19 nonparticipation in any state employee assistance program shall not  
20 excuse an employee from discipline or otherwise affect the terms and  
21 conditions of such employee's employment status or opportunities for  
22 advancement with the state.
