

BILL SUMMARY
1st Session of the 59th Legislature

Bill No.:	HB2750
Version:	SUBREC
Request Number:	7433
Author:	Rep. Miller
Date:	3/1/2023
Impact:	Budget Neutral

Research Analysis

The Subrec to HB 2750 allows Service Oklahoma to enter into agreements with third-parties to provide the written portion of the driver license test. The measure allows Service Oklahoma to give the examination at any public or private site. The measure clarifies that local school districts, the Oklahoma Department of Career and Technology Education, institutions of higher education, or a private entity may hire or employ designated examiners for the Class A, B or C driving skills portion and written portion of the test required for a driver license.

Prepared By: Brad Wolgamott

Fiscal Analysis

HB 2750 allows Service Oklahoma more flexibility in authorizing who can become a certified driver license examiner and where driver license exams can be administered. Per Service Oklahoma, there is an anticipated minimal revenue increase from driver license collections and a minimal cost resulting from the installation of testing terminals at these approved third party locations. The agency has not identified an increased need for appropriations as a result of the provisions of the measure in its current form.
