

BILL SUMMARY
1st Session of the 59th Legislature

Bill No.:	SB266
Version:	PCS1
Request Number:	8068
Author:	Rep. Boatman
Date:	3/30/2023
Impact:	Minimal

Research Analysis

The proposed committee substitute for SB 266 provides that an area may be designated as a subprecinct if fewer than 1,500 registered voters are affected. Previously, an area could be a subprecinct if fewer than 500 registered voters were affected. Separate election materials must be provided so that separate certification will be made of each subprecinct's election results.

Fiscal Analysis

The proposed committee substitute for SB 266 allows sub precincts to be designated if fewer than one thousand five hundred (1,500) registered voters are affected. Per the State Election Board (SEB), this change would have a minimal fiscal impact for the agency.
