Fiscal Analysis

SB 439 states that the 2 recommending physicians as it relates to medical marijuana for minors may not be located at the same physical address. At least 1 of the physicians must also state that the minor applicant has been under the care of the physician or referred to by a physician who has cared for the minor for not less than 1 year, or not less than 5 years if the minor patient has only been seen by the physician through telemedicine. No fiscal impact is anticipated.
