Research Analysis

The engrossed version of SB 526 eliminates the Oklahoma Teacher and Leader Effectiveness Evaluation (TLE) System, and instead allows school district boards to develop their own teacher evaluation systems.

The measure allows the State Department of Education to develop workshops for training school personnel on how to conduct teacher and administrator evaluations. Further, the measure limits what TLE data the State Department of Education can collect from schools.

Lastly, the measure repeals this section of law:

[Section 6-101.16 - Oklahoma Teacher and Leader Effectiveness Evaluation System](#)

[Section 6-101.31 - Basis for Determining the Retention or Reassignment of Teachers and Administrators Affected by Reduction-in-Force Plans](#)
