

Bill Summary
2nd Session of the 59th Legislature

Bill No.:	SB 1673
Version:	INT
Request No.	3199
Author:	Sen. Prieto
Date:	01/17/2024

Bill Analysis

SB 1673 prohibits the Department of Human Services from accepting anonymous reports of suspected child abuse. The measure also requires the Department to retain referral information if the complaint results in an investigation. Persons receiving complaints of suspected child abuse must request and store the specific facts that led to the reasonable suspicion of child abuse or neglect and the source or sources of such information as well as the complainant's contact information.
