

Bill Summary
2nd Session of the 59th Legislature

Bill No.:	SB 1764
Version:	INT
Request No.	2499
Author:	Sen. Garvin
Date:	01/22/2024

Bill Analysis

SB 1764 requires all professional licensing boards to establish a scope and severity grid to measure the deficiencies in licensed entities to consistently administer citations, penalties, or improvements to establish rules for deficient practices.
