

Bill Summary
2nd Session of the 59th Legislature

Bill No.:	SB 1798
Version:	INT
Request No.	3135
Author:	Sen. Dahm
Date:	01/23/2024

Bill Analysis

SB 1798 provides that an abortion used to preserve the life of a mother shall not be deemed necessary to preserve the life of the pregnant woman if it is based on a psychological or emotional condition or a claim, diagnosis, or determination that the woman may engage in conduct which she intends to result in her death.
