Bill Analysis

SB 1945 prohibits advertising medical marijuana as safe or harmless on ingestion. The measure also prohibits advertising flavored medical marijuana products as healthier alternatives to medical marijuana. The measure expands the list of items considered as advertising to children to include flashing signs, flags, banners, or tube men as well as showing medical marijuana as improving social status, physical appearance, or athletic performance. The measure also adds discounts and coupons for the purchase of medical marijuana products to the list.
