Bill Analysis

SB 439 provides that the 2 recommending physicians as it relates to medical marijuana for minors may not be located at the same physical address. At least 1 of the physicians must also attest that the minor applicant has been under the care of the physician or referred to by a physician who has cared for the minor for not less than 1 year prior to recommending the use of medical marijuana. Additionally, the measure directs the Executive Director of the Oklahoma Medical Marijuana Authority to issue a list of qualifying medical conditions for a medical marijuana patient license. Physicians are required to conduct an in-person examination of a patient unless the patient is certified as home-bound.
