**Bill Analysis**

SB 75 modifies language relating to school employee payroll deductions. The measure directs that deductions cannot be authorized for longer than 1 year and states that authorization for dues and political contributions are to be made on a form prescribed by the Secretary of Education containing a certain statement about First Amendment rights. The measure requires a school district to confirm an employee's authorization by email prior to starting any deduction. The bill also states that any authorization shall expire at the start of the first full pay period each school year unless it was authorized or reauthorized during the previous school year.
