

Fiscal Impact
1st Session of the 59th Legislature

Bill No.:	SB 292
Version:	INT
Author:	Sen. Stanley
Date:	03/02/2023

Fiscal Analysis

SB 292 will require a standard serological test for syphilis at set times throughout a pregnancy. These times will require an additional two tests than is in current practice. OMES estimates an additional cost of between \$750,000-\$1 million for state employees and dependents through EGID. OHCA estimates a total cost of \$504,096 with a state share of \$163,882 for Medicaid recipients.

FY'24 Impact: \$574,786.00 - \$872,911.00

Full Year Impact: \$766,382.00 - \$1,163,882.00
