7 A. A user may use an online tool to direct the custodian to  
8 disclose to a designated recipient or not to disclose some or all of  
9 the user's digital assets, including the content of electronic  
10 communications. If the online tool allows the user to modify or  
11 delete a direction at all times, a direction regarding disclosure  
12 using an online tool overrides a contrary direction by the user in a  
13 will, trust, power of attorney, or other record.

14 B. If a user has not used an online tool to give direction  
15 under subsection A of this section or if the custodian has not  
16 provided an online tool, the user may allow or prohibit in a will,  
17 trust, power of attorney, or other record, disclosure to a fiduciary  
18 of some or all of the user's digital assets, including the content  
19 of electronic communications sent or received by the user.

20 C. A user's direction under subsection A or B of this section  
21 overrides a contrary provision in a terms-of-service agreement that  
22 does not require the user to act affirmatively and distinctly from  
23 the user's assent to the terms of service.

2 in the Oklahoma Statutes as Section 3105 of Title 58, unless there  
3 is created a duplication in numbering, reads as follows:

4 A. This act does not change or impair a right of a custodian or  
5 a user under a terms-of-service agreement to access and use digital  
6 assets of the user.

7 B. This act does not give a fiduciary or designated recipient  
8 any new or expanded rights other than those held by the user for  
9 whom, or for whose estate, the fiduciary or designated recipient  
10 acts or represents.

11 C. A fiduciary's or designated recipient's access to digital  
12 assets may be modified or eliminated by a user, by federal law, or  
13 by a terms-of-service agreement if the user has not provided  
14 direction under Section 4 of this act.

15 SECTION 6. NEW LAW A new section of law to be codified  
16 in the Oklahoma Statutes as Section 3106 of Title 58, unless there  
17 is created a duplication in numbering, reads as follows:

18 A. When disclosing digital assets of a user under this act, the  
19 custodian may, at its sole discretion:

20 1. Grant a fiduciary or designated recipient full access to the  
21 user's account;

22 2. Grant a fiduciary or designated recipient partial access to  
23 the user's account sufficient to perform the tasks with which the  
24 fiduciary or designated recipient is charged; or

1           3. Provide a fiduciary or designated recipient a copy of a  
2 record of any digital asset that, on the date the custodian received  
3 the request for disclosure, the user could have accessed if the user  
4 were alive and had full capacity and access to the account.

5           B. A custodian may assess a reasonable administrative charge  
6 for the cost of disclosing digital assets under this act.

7           C. A custodian need not disclose under this act a digital asset  
8 deleted by a user.

9           D. If a user directs or a fiduciary requests a custodian to  
10 disclose under this act some, but not all, of the user's digital  
11 assets, the custodian need not disclose the assets if segregation of  
12 the assets would impose an undue burden on the custodian. If the  
13 custodian believes the direction or request imposes an undue burden,  
14 the custodian or fiduciary may seek an order from the court to  
15 disclose:

16           1. A subset limited by date of the user's digital assets;

17           2. All of the user's digital assets to the fiduciary or  
18 designated recipient;

19           3. None of the user's digital assets; or

20           4. All of the user's digital assets to the court for review in  
21 camera.

22           SECTION 7.           NEW LAW           A new section of law to be codified  
23 in the Oklahoma Statutes as Section 3107 of Title 58, unless there  
24 is created a duplication in numbering, reads as follows:

2 the contents of electronic communications of the user, the custodian  
3 shall disclose to the personal representative of the estate of the  
4 user the content of an electronic communication sent or received by  
5 the user if the representative gives the custodian:

6        1. A written request for disclosure in physical or electronic  
7 form;

8        2. A certified copy of the death certificate of the user;

9        3. A certified copy of the letter of appointment of the  
10 representative or a small-estate affidavit or court order;

11       4. Unless the user provided direction using an online tool, a  
12 copy of the user's will, trust, power of attorney, or other record  
13 evidencing the user's consent to disclosure of the content of  
14 electronic communications; and

15       5. If requested by the custodian:

16           a. a number, username, address, or other unique  
17           subscriber or account identifier assigned by the  
18           custodian to identify the user's account,

19           b. evidence linking the account to the user, or

20           c. a finding by the court that:

21                (1) the user had a specific account with the  
22                custodian, identifiable by the information  
23                specified in subparagraph a of paragraph 5 of  
24                this section,

- 1 (2) disclosure of the content of electronic  
2 communications of the user would not violate 18  
3 U.S.C., Section 2701 et seq., 47 U.S.C., Section  
4 222, or other applicable law,  
5 (3) unless the user provided direction using an  
6 online tool, the user consented to disclosure of  
7 the content of electronic communications, or  
8 (4) disclosure of the content of electronic  
9 communications of the user is reasonably  
10 necessary for administration of the estate.

11 SECTION 8. NEW LAW A new section of law to be codified  
12 in the Oklahoma Statutes as Section 3108 of Title 58, unless there  
13 is created a duplication in numbering, reads as follows:

14 Unless the user prohibited disclosure of digital assets or the  
15 court directs otherwise, a custodian shall disclose to the personal  
16 representative of the estate of a deceased user, a catalog of  
17 electronic communications sent or received by the user and digital  
18 assets, other than the content of electronic communications, of the  
19 user, if the representative gives the custodian:

- 20 1. A written request for disclosure in physical or electronic  
21 form;  
22 2. A certified copy of the death certificate of the user;  
23 3. A certified copy of the letter of appointment of the  
24 representative or a small-estate affidavit or court order; and

1 4. If requested by the custodian:

- 2 a. a number, username, address, or other unique  
3 subscriber or account identifier assigned by the  
4 custodian to identify the user's account,  
5 b. evidence linking the account to the user,  
6 c. an affidavit stating that disclosure of the user's  
7 digital assets is reasonably necessary for  
8 administration of the estate, or  
9 d. a finding by the court that:

10 (1) the user had a specific account with the  
11 custodian, identifiable by the information  
12 specified in subparagraph a of paragraph 4 of  
13 this section, or

14 (2) disclosure of the user's digital assets is  
15 reasonably necessary for administration of the  
16 estate.

17 SECTION 9. NEW LAW A new section of law to be codified  
18 in the Oklahoma Statutes as Section 3109 of Title 58, unless there

20 To the extent a power of attorney expressly grants an agent  
21 authority over the content of electronic communications sent or  
22 received by the principal and unless directed otherwise by the

4        3. A certification by the agent, under penalty of perjury, that  
5 the power of attorney is in effect; and

6        4. If requested by the custodian:

7            a. a number, username, address, or other unique  
8            subscriber or account identifier assigned by the  
9            custodian to identify the principal's account, or
