11 forth in 21 CFR, Section 1311 et seq.

12 4. Prescriptions shall be retained in conformity with the  
13 requirements of this section and Section 2-307 of this title. No

21 residence of a patient or in a long-term care facility  
22 where a patient resides. As used in this  
23 subparagraph, "hospice program" has the same meaning  
24 as provided by Section 1-860.2 of this title,

1 f. a practitioner who writes a prescription to be  
2 dispensed by a pharmacy located on federal property,  
3 provided the practitioner documents the reason for  
4 this exception in the medical record of the patient,  
5 or

6 g. a practitioner that has received a waiver or extension  
7 from his or her licensing board.

8 6. Electronic prescriptions shall not be utilized under the  
9 following circumstances:

10 a. compound prescriptions containing two or more  
11 commercially available products or two or more active  
12 pharmaceutical ingredients,

13 b. compounded infusion prescriptions containing two or  
14 more commercially available products or two or more  
15 active pharmaceutical ingredients,

16 c. prescriptions issued under approved research  
17 protocols, or

18 d. if the practitioner determines that an electronic  
19 prescription cannot be issued in a timely manner and  
20 the condition of the patient is at risk.

21 7. A pharmacist who receives a written, oral or facsimile  
22 prescription shall not be required to verify that the prescription  
23 falls under one of the exceptions provided for in paragraph 6 of  
24 this subsection. Pharmacists may continue to dispense medications

1 from otherwise valid written, oral or facsimile prescriptions that  
2 are consistent with the provisions of this section.

3 8. Practitioners shall indicate in the health record of a  
4 patient that an exception to the electronic prescription requirement  
5 was utilized.

6 9. All prescriptions issued pursuant to paragraphs 5 and 6 of  
7 this subsection shall be issued on an official prescription form  
8 provided by the Oklahoma State Bureau of Narcotics and Dangerous  
9 Drugs Control.

10 10. a. Effective January 1, 2020, practitioners shall  
11 register with the Oklahoma State Bureau of Narcotics  
12 and Dangerous Drugs Control in order to be issued  
13 official prescription forms. Such registration shall  
14 include, but not be limited to, the primary address  
15 and the address of each place of business to be  
16 imprinted on official prescription forms. Any change  
17 to a registered practitioner's registered address  
18 shall be promptly reported to the practitioner's  
19 licensing board and the Bureau by the practitioner in  
20 a manner approved by the Bureau.

21 b. A practitioner's registration shall be without fee and  
22 subject to approval by the Bureau. Such registration  
23 shall be valid for a period of two (2) years and may  
24 be denied, suspended or revoked by the Bureau upon a

1 finding by the Bureau or licensing board that the  
2 registered practitioner has had any license to  
3 practice a medical profession revoked or suspended by  
4 any state or federal agency.

5 c. Where the Bureau has revoked the registration of a  
6 registered practitioner, the Bureau may revoke or  
7 cancel any official prescription forms in the  
8 possession of the registered practitioner. Any  
9 revocation or any suspension shall require the  
10 registered practitioner to return all unused official  
11 prescription forms to the Bureau within fifteen (15)  
12 calendar days after the date of the written  
13 notification.

14 d. A practitioner that has had any license to practice  
15 terminated, revoked or suspended by a state or federal  
16 agency may, upon restoration of such license or  
17 certificate, register to be issued official  
18 prescription forms.

19 11. a. Except as provided in subparagraph f of this  
20 paragraph, the Bureau shall issue official  
21 prescription forms free of charge only to registered  
22 practitioners in this state. Such forms shall not be  
23 transferable. The number of official prescription  
24

1 forms issued to a registered practitioner at any time  
2 shall be at the discretion of the Bureau.

3 b. Official prescription forms issued to a registered  
4 practitioner shall be imprinted only with the primary  
5 address and other addresses listed on the registration  
6 of the practitioner. Such prescriptions shall be sent  
7 only to the primary address of the registered  
8 practitioner.

9 c. Official prescription forms issued to a registered  
10 practitioner shall be used only by the practitioner to  
11 whom they are issued.

12 d. The Bureau may revoke or cancel official prescription  
13 forms in possession of registered practitioners when  
14 the license of such practitioner is suspended,  
15 terminated or revoked.

16 e. Official prescription forms of registered  
17 practitioners who are deceased or who no longer  
18 prescribe shall be returned to the Bureau at a  
19 designated address. If the registered practitioner is  
20 deceased, it is the responsibility of the registered  
21 practitioner's estate or lawful designee to return  
22 such forms.

23 f. The Bureau may issue official prescription forms to  
24 employees or agents of the Bureau and other government  
25

1 agencies for the purpose of preventing, identifying,  
2 investigating and prosecuting unacceptable or illegal  
3 practices by providers and other persons and assisting  
4 in the recovery of overpayments under any program  
5 operated by the state or paid for with state funds.  
6 Such prescription forms shall be issued for this  
7 purpose only to individuals who are authorized to  
8 conduct investigations on behalf of the Bureau or  
9 other government agencies as part of their official  
10 duties. Individuals and agencies receiving such  
11 prescription forms for this purpose shall provide  
12 appropriate assurances to the Bureau that adequate  
13 safeguards and security measures are in place to  
14 prevent the use of such prescription forms for  
15 anything other than official government purposes.

16 12. a. Adequate safeguards and security measures shall be  
17 undertaken by registered practitioners holding  
18 official prescription forms to assure against the  
19 loss, destruction, theft or unauthorized use of the  
20 forms. Registered practitioners shall maintain a  
21 sufficient but not excessive supply of such forms in  
22 reserve.

23 b. Registered practitioners shall immediately notify the  
24 Bureau, in a manner designated by the Bureau, upon  
25

1           their knowledge of the loss, destruction, theft or  
2           unauthorized use of any official prescription forms  
3           issued to them, as well as the failure to receive  
4           official prescription forms within a reasonable time  
5           after ordering them from the Bureau.

6           c. Registered practitioners shall immediately notify the  
7           Bureau upon their knowledge of any diversion or  
8           suspected diversion of drugs pursuant to the loss,  
9           theft or unauthorized use of prescriptions.

10          B. 1. Except for dosages medically required for a period not  
11          to exceed seventy-two (72) hours which are administered by or on  
12          direction of a practitioner, other than a pharmacist, or medication  
13          dispensed directly by a practitioner, other than a pharmacist, to an  
14          ultimate user, no controlled dangerous substance included in  
15          Schedule III or IV, which is a prescription drug as determined under  
16          regulation promulgated by the Board of Pharmacy, shall be dispensed  
17          without an electronic prescription.

18          2. Any prescription for a controlled dangerous substance in  
19          Schedule III, IV or V may not be filled or refilled more than six  
20          (6) months after the date thereof or be refilled more than five  
21          times after the date of the prescription, unless renewed by the  
22          practitioner.

23          C. Whenever it appears to the Director of the Oklahoma State  
24          Bureau of Narcotics and Dangerous Drugs Control that a drug not

1 considered to be a prescription drug under existing state law or  
2 regulation of the Board of Pharmacy should be so considered because  
3 of its abuse potential, the Director shall so advise the Board of  
4 Pharmacy and furnish to the Board all available data relevant  
5 thereto.

6 D. 1. "Prescription", as used in this section, means a  
7 written, oral or electronic order by a practitioner to a pharmacist  
8 for a controlled dangerous substance for a particular patient, which  
9 specifies the date of its issue, and the full name and address of  
10 the patient and, if the controlled dangerous substance is prescribed  
11 for an animal, the species of the animal, the name and quantity of  
12 the controlled dangerous substance prescribed, the directions for  
13 use, the name and address of the owner of the animal and, if  
14 written, the signature of the practitioner.

15 2. "Registered practitioner", as used in this section, means a  
16 licensed practitioner duly registered with the Oklahoma State Bureau  
17 of Narcotics and Dangerous Drugs Control to be issued official  
18 prescription forms.

19 E. No person shall solicit, dispense, receive or deliver any  
20 controlled dangerous substance through the mail, unless the ultimate  
21 user is personally known to the practitioner and circumstances  
22 clearly indicate such method of delivery is in the best interest of  
23 the health and welfare of the ultimate user.

1 SECTION 2. It being immediately necessary for the preservation  
2 of the public peace, health or safety, an emergency is hereby  
3 declared to exist, by reason whereof this act shall take effect and  
4 be in full force from and after its passage and approval.
