

STATE OF OKLAHOMA

1st Session of the 59th Legislature (2023)

SENATE BILL 929

By: Jett

AS INTRODUCED

An Act relating to health care; requiring licensed practitioner to inform patient of certain information prior to administration of vaccine; requiring certain informed consent; providing penalties; providing for codification; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 3171 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. Prior to administration of any vaccine, a licensed practitioner shall inform the patient of:

1. All ingredients in the vaccine; and
2. Whether the vaccine manufacturer used fetal cell lines in the research or production of the vaccine.

B. The licensed practitioner shall obtain the informed consent of the patient prior to administration of the vaccine.

C. If the licensing board of a practitioner finds that the practitioner is in violation of this section, such board shall, in

1 accordance with the rules of such board, immediately revoke the
2 license of the practitioner and fine the practitioner One Hundred
3 Thousand Dollars (\$100,000.00) per occurrence.

4 SECTION 2. This act shall become effective November 1, 2023.
