SECTION 2. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 6060.51 of Title 36, unless there is created a duplication in numbering, reads as follows:

A. An enrollee may choose to pay for a health care service out-of-pocket from a licensed health care provider. If an enrollee negotiates for a lower cost from a licensed health care provider than the average allowed amount paid by the carrier to a network provider for a comparable health care service, and the enrollee pays for the health care service out-of-pocket, the enrollee may send documentation, which may be sent electronically, to the carrier, that provides the following:

- 1. The health care service the enrollee or patient received and the licensed health care provider's name and contact information;

1        2. If an order is required by the enrollee's policy, the order  
2 from the health care provider given to the enrollee or patient and  
3 the final bill or statement for the health care service; and

4        3. The negotiated cost of the health care service that the  
5 enrollee received:

6            a. the enrollee paid out-of-pocket for the health care  
7                    services received, and

8            b. the health care entity is not making a claim against  
9                    the carrier for payment for the health care service  
10                    provided to the enrollee or patient.

11        B. A carrier that receives the documentation described in  
12 subsection A of this section shall count the full amount that the  
13 enrollee paid out-of-pocket toward the enrollee's deductible,  
14 coinsurance, copayment, or other cost-sharing amount:

15            1. If the health care service is included under the enrollee's  
16 health benefit plan; and

17            2. The enrollee negotiated for a lower cost for the health care  
18 service than the average allowed amount paid by the carrier to  
19 network providers for that comparable health care service.

20        C. The amount counted toward an enrollee's out-of-pocket  
21 deductible, coinsurance, copayment, or other cost-sharing amount  
22 must not exceed the total amount that the covered person is required  
23 to pay out-of-pocket during a contractually agreed upon period of  
24 time for health care services that are included under the covered

1 person's insurance plan, and does not carry over once a new contract  
2 or agreement period for the insurance plan begins.

3 SECTION 3. This act shall become effective November 1, 2025.
