Research Analysis

HB 1101, as introduced, creates a voter referendum to allow wagering on the outcomes of sports contests. The referendum would also increase the amount of money that goes to the Oklahoma Department of Mental Health and Substance Abuse Services for the treatment of compulsive gambling, from \$20,833 monthly to \$25,000 monthly. Lastly, the referendum creates the gaming compact supplements that tribes should use if they want to accept the state's offer for sports betting.

The referendum would be invalid if HB 1047 passes.
