

Bill Summary
1st Session of the 60th Legislature

Bill No.:	SB 191
Version:	INT
Request No.	1312
Author:	Sen. Deevers
Date:	12/30/2024

Bill Analysis

SB 191 prohibits the advertisement of medical marijuana as safe or harmless for consumption. The measure also prohibits marketing flavored medical marijuana in a way that suggests they are healthier alternatives to medical marijuana. No dispenser may use flashing signs, flags, banners, or tube men on its premises. Dispensers cannot distribute discounts or coupons to customers nor advertise medical marijuana in a manner depicting improved social status, physical appearance, or athletic performance.
