

Bill Summary
1st Session of the 60th Legislature

Bill No.:	SB 254
Version:	INT
Request No.	716
Author:	Sen. Dossett
Date:	01/02/2025

Bill Analysis

SB 254 directs the Department of Labor to contract for the services of a qualified third-party actuary to perform an actuarial study for a paid family and medical leave insurance program by January 1, 2027. The results of the study shall be published for the wider public no more than 30 days after the completion of the study. The actuary shall also determine the premium rates necessary to achieve solvency using at least 2 different paid family and medical leave insurance program models.
