Bill Analysis

SB 270 requires any bid submitted to the state for an acquisition under the Oklahoma Central Purchasing Act to contain written verification that the vendor agrees to submit an annual written affidavit to the Office of Management and Enterprise Services (OMES) disclosing any financial improprieties of individuals employed by the vendor as well as undergo an annual review of the vendor's financial information if deemed necessary by OMES. If the affidavit affirms the existence of financial impropriety, OMES shall conduct an annual review.
