

Bill Summary
1st Session of the 60th Legislature

Bill No.:	SB 940
Version:	INT
Request No.	868
Author:	Sen. Jech
Date:	01/22/2025

Bill Analysis

SB 940 directs the Oklahoma Conservation Commission to implement a statewide plan for the control, removal, and eradication of harmful woody species on state-owned, -leased, or -operated land. The measure directs various state agencies to compile and present a report to determine the affected inventory and subsequent plan to control or remove such species no later than January 1, 2026. Such agencies shall submit a report to the Legislature no later than November 1, 2026, and each year thereafter detailing the progress on such control and removal.
