

Senate Fiscal Summary
1st Session of the 60th Legislature

Senate Bill 167

Version:	INT
Agency:	Oklahoma Department of Emergency Management
Senate Author:	Reinhardt
House Author:	
FY'26 Impact:	\$8,000,000
Full Year Impact:	\$8,000,000

**Bill Summary and
Fiscal Analysis:**

SB 167 directs the Oklahoma Department of Emergency Management (ODEM) to contract with an outside entity to develop a statewide Stormwater Management Predictive Analytic Solution, and requires the Solution to include early warning detection and advanced flood monitoring systems.

The ODEM estimates a fiscal impact of approximately \$8,000,000 for statewide implementation, with an estimated few million required for annual maintenance.

Fiscal impact provided by ODEM.
