

STATE OF OKLAHOMA

1st Session of the 60th Legislature (2025)

SENATE BILL 879

By: Grellner

AS INTRODUCED

An Act relating to public health; prohibiting certain vaccination of an infant without prior written informed consent; making vaccination voluntary and opt-in only; prohibiting certain requirement or implication; providing for codification; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-511.1 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. As provided in the Parents' Bill of Rights, a health care provider shall not administer any vaccine to an infant including, but not limited to, the Hepatitis B vaccine, unless the health care provider has obtained the prior written informed consent of the infant's parent or legal guardian and has explained any risks associated with the vaccine to the parent or legal guardian.

B. The vaccines described in subsection A of this section shall be voluntary and on an opt-in basis only. The health care provider shall not require, or imply that it is required for, the parent or

1 legal guardian to consent to such vaccines on behalf of the parent
2 or legal guardian's infant.

3 SECTION 2. This act shall become effective November 1, 2025.
