

**BILL SUMMARY**  
1<sup>st</sup> Session of the 60<sup>th</sup> Legislature

<b>Bill No.:</b>	<b>HB2287</b>
<b>Version:</b>	<b>Introduced</b>
<b>Request Number:</b>	<b>12166</b>
<b>Author:</b>	<b>Speaker Hilbert</b>
<b>Date:</b>	<b>1/31/2025</b>
<b>Impact:</b>	<b>\$0</b>

**Research Analysis**

HB 2287, as introduced, modifies the calculation for per-pupil expenditure by requiring the following expenses to be included:

- Instructional costs related to career and technology education programs in comprehensive schools; and
- Instructional costs related to concurrent classes that satisfy graduation requirements.

Prepared By: Emily Byrne

**Fiscal Analysis**

HB 2287 in its current form modifies an existing process in a way that is not anticipated to result in additional costs to the administering agency. HB 2287 in its current form is anticipated to have \$0 impact on the State Budget and State Revenues.

Prepared By: John McPhetridge, House Fiscal Director

**Other Considerations**

None.
