Fiscal Analysis

HB 2293 in its current form extends the Sunset dates for the Oklahoma Broadband Office from June 30, 2028 to December 31, 2030. The measure does not impact the administration of the Broadband Office in Fiscal Year 2026. The measure does not impose additional duties upon the Office. For these reasons HB 2293 in its current form, is anticipated to have \$0 fiscal impact on the State Budget or Revenues.
