

Bill Summary
1st Session of the 60th Legislature

Bill No.:	SB 22
Version:	INT
Request No.	381
Author:	Sen. Green
Date:	12/13/2024

Bill Analysis

SB 22 prohibits any person or entity from selling or manufacturing cell-cultured meat intended for human consumption. Cell-cultured meat is defined as a food product developed from animal cell cultures rather than through traditional raising and slaughtering of livestock.
