

Bill Summary
1st Session of the 60th Legislature

Bill No.:	SB 516
Version:	INT
Request No.	793
Author:	Sen. Alvord
Date:	01/13/2025

Bill Analysis

SB 516 strikes language requiring the registrar as he or she relates to the Roofing Contractor Registration Act to enter a notation in the individual roofing contractor's record showing the date that the roofing contractor's response was received as well as language requiring the registration system to include the notation of each complaint received against an individual roofing contractor.
