

Bill Summary
1st Session of the 60th Legislature

Bill No.:	SB 620
Version:	INT
Request No.	1565
Author:	Sen. Jett
Date:	01/14/2025

Bill Analysis

SB 620 requires any person or entity authorized to commence industrial, municipal, and commercial operations in the state to disclose the use of biosolids when labeling their products as well as display signage on their property. The measure requires full disclosure of such use must be given to any consumer who purchases an agricultural crop or vegetative material for any agricultural purpose. The measure directs the Department of Environmental Quality to publish and update annually a map of biosolid land application property sites on a publicly available website.
