

Bill Summary
1st Session of the 60th Legislature

Bill No.:	SB 919
Version:	INT
Request No.	183
Author:	Sen. Green
Date:	01/22/2025

Bill Analysis

SB 919 provides that any lease to a person or corporation authorized by the Commissioners of the Land Office for the purpose of renewable energy generation shall be considered a commercial lease. The measure prohibits any limited liability company from owning or leasing agricultural land if it is engaged in renewable energy generation.
