

BILL/VERSION:	SB 290 / INTRODUCED	ANALYST: MK
AUTHORS:	Sen. Jett	DATE: 1/22/2025
TAX(ES):	Income Tax	
SUBJECT(S):	0% Rate Individual and Corporate (Including Bank Privilege)	
EFFECTIVE DATE:	November 1, 2025	Emergency <input type="checkbox"/>

ESTIMATED REVENUE IMPACT:

FY26: Decrease in individual & corporate income tax collections of \$7.4 billion.

FY27: Decrease in individual & corporate income tax collections of \$5.6 billion.

Note: A November 1, 2025, effective date shifts the impact of this proposal to FY26; withholding and estimated tax remittances reflecting the proposed rate reduction should not change until after November 1, 2025.

ANALYSIS: SB 290 proposes to amend 68 O.S. § 2355 by specifying that there shall be no tax imposed upon the Oklahoma taxable income of any resident or nonresident individual or any corporation doing business in Oklahoma for tax year 2025 and subsequent tax years. Section 2370 is amended to end the bank privilege tax levy effective for tax year 2025 and subsequent tax years.

ADMINISTRATIVE CONCERNS: Tax year 2025 income tax withholding tables would require a midyear adjustment and would create a significant amount of refunds for tax year 2025 in 2026 when the returns are filed. Additionally, SB 290 does not amend any other sections of the *Oklahoma Income Tax Act* (68 O.S. § 2351 et seq.). This leads to statutorily required income tax return filing under 68 O.S. § 2368 even though no income tax is due. Professional license holders still need to be income tax compliant to renew their license. Additionally:

- Refundable credits are not eliminated and would still have to be paid (refunded) to the taxpayer. This includes the Parental Choice Tax Credits among others.
- In addition to apportionment to the General Revenue Fund, income tax collections fund a variety of other funds, including but not limited to the Education Reform Revolving Fund, Teachers Retirement, Ad Valorem Reimbursement Fund, Quality Jobs Program, and the Rebuild Oklahoma Access & Driver Safety Fund.
- Income tax returns can be amended up to 3 years from the original due date. Tax year 2024 returns can generally be amended until April 2028.
